Over the last few weeks we have been listening to stories about Jesus – ‘Jesus and the children’, ‘The Ten Lepers’, ‘Jesus healed the man who was blind’ and ‘The man who was lowered through the roof’. Christians believe these stories show what sort of person Jesus was. What do you think these stories reveal about Jesus’ character? Draw a picture of yourself underneath the thought bubble then write in the bubble what you think they reveal about Jesus. You could start your sentence ‘I think that these stories show that Jesus was....’
