

Evaluating salads

Take a look at the pictures on the back of this sheet. The salads are already made from a supermarket. Pick one of them and draw a picture of it and evaluate what you think of its appearance.

Thinking of the questions:

- Is the salad attractive? Why / why not?
- Have you tasted any of these ingredients before?
- How many different vegetables or fruits are in this salad?
 - Do you think the colours are attractive?
 - How could it be improved?
