

ANIMALS

In the inner courtyard and our new Animal Paddocks you can meet and interact with our animals closely, in an enjoyable and safe environment. Children are able to touch and interact with the animals, experiencing the sounds, smells and sights of a small farm. All of our animals have been picked for their docile, friendly natures.

As a working dairy farm our baby calves are always arriving, and in spring we look forward to the baby lambs being born! Plus at Christmas we are very lucky to welcome two of Father Christmas' Reindeers!

PLAYBARN

Situated in our courtyard is our fantastic farmyard themed indoor soft Playbarn, offering a safe environment for "rough and tumble". Our Playbarn has been specially designed for all ages, with a height restriction of 144cm.

The Playbarn cafe gives adults the perfect place to enjoy our great food, hot drinks and homemade cakes whilst watching the children play. Our kids menu is great for hungry youngsters, the challenge will be getting them out of the Playbarn!

SCHOOLS

A visit to Old Holly Farm is a unique opportunity for young minds to explore the countryside - discovering its inhabitants and its agricultural importance. This provides an ideal prospect for educational visits to encourage cross-curricular learning across a broad range of ages from pre-school upwards. We provide a thorough free risk assessment, school information pack and pre-visit so we can talk through individual topics, needs or concerns. Plus our standalone classroom makes a perfect base for your visit.

DAIRY

What better way is there to introduce children to the world around them than through personal experience?

At Old Holly Farm we aim to allow children to discover what happens on a daily basis on a working organic dairy farm. The milking parlour gallery provides an excellent view, allowing children the opportunity to see where their daily milk comes from. You won't want to go home before watching our Cows being milked at 4:30pm every day.

FROM FIELD TO FOOD

Plus our very free range Chickens are also busy doing their bit laying eggs. See how many Chickens you can spot when you visit! Enjoy our eggs in our all day breakfast, a Coolcow ice cream on a sunny day, or a **FREE** milk with any child's meal in our cafés.

All our own produce is available in our Farm Shop, plus the majority of Coolcow Ice cream is **GLUTEN FREE**. Please ask in the shop for more details.

THE FARM

Old Holly Farm is owned and run by the Pye family, who in 2007 converted existing buildings into what you can experience today! Every month you can enjoy reading the Farm update in our cafes, which tells us all about the trials and tribulations of farm life through the seasons!

Watch out for different events and activities through the farming year here at Old Holly! Visit our website for more details www.oldhollyfarm.co.uk

Please don't forget we are a working farm, so please remember to wash your hands.

SHOP

The shop is a vibrant part of Old Holly Farm, selling a huge range of home produced and locally sourced food. Plus for children we have a great selection of kids toys, games and gifts.

Why not try some Old Holly Homemade - a selection of our very own homemade jams and preserves, as well as some of Lancashire's finest cheeses, tasty jams and chutneys, and delicious biscuits, sweets and treats!

Don't forget our Cows milk goes into Coolcow ice cream which is made here on the farm, with lots of flavours available - why not see which is your favourite?
