Apologies

There were no apologies today.

Welcome to School Council

Miss Harling welcomed the new school councillors to our first meeting and explained that meetings will be held every other Thursday in Rainbows at 9.05 am. The week before the meeting, every class will receive an agenda in their register to support a class council meeting, with a space for making notes (KS1 by the teacher, KS2 by the class councillor). This will then be brought to the following meeting. Miss Harling also explained that councillors have been voted to their position by their class to represent the views of all children in our school and work together to help improve our school, sort out problems, make changes and plan events. Class councillors will attend the meetings and if they can't for any reason, the deputy councillors will attend instead.

Tidy Classroom

Miss Harling explained that Mr Ward has asked School Council to talk to their classes about a new idea for 'Tidy Classroom' prizes. In the past we have had dinosaurs, 'Pokemon' and 'Emojis'. What could we have next? School councillors are going to talk to their classes and bring their ideas to the next meeting.

School Grounds

Mrs Hatton has asked councillors to talk to their classes about how we could improve the school grounds. What murals (pictures) could be painted outside? What could we change to make the school grounds better? Miss Harling will email some examples to teachers to show you during your class meeting.

Any other business

- Miss Harling showed councillors where our new School Council board will be (on the wall opposite the old one)
