

Day 3- Ending

On the way home from work, Gromit told Wallace everything! He couldn't believe it. Why would his lovely, kind girlfriend want to hurt him? "Thank you Gromit, you are the best friend ever, I am so sorry that I didn't listen to you," grovelled Wallace. They decided to plot their revenge.

The next night they made lots of explosive hair potions and hid in the top window of the shop. As soon as they spotted Snipella, they got ready to attack. SPLAT! Wallace and Gromit hurled the potions out the window towards Snipella. Quickly, she ran down the road screaming and shouting as she went. "That will teach her!" announced Wallace with a cheeky grin.
