

29th May 2026

Y2M

Dear Parents / Carers,

We have been lucky enough to book a visit to the Firefighter Training Centre to take part in a workshop entitled ‘Little Life Savers’.

Little Life Savers has been specifically developed to introduce six and seven year olds to ways of staying safe and knowing what to do in an emergency. By taking on roles within the fire service, they will explore a 999 control centre, understand how to cross the road safely, learn how to stop, drop and roll and many more exciting activities!

The visit for class **2M** will be on Tuesday 9th June 2026. We will leave school after morning registration and return to school for lunchtime.

All children must wear their school uniform.

We are asking parents for a £1 contribution for this trip.

Yours sincerely,

Mrs May

Miss May
