## Maths

Maths is taught every day in a variety of fun ways. The children will take part in a daily White Rose Maths session and a daily Maths Mastery session.

The children will explore maths throughout the provision as well as joining in with number songs, games and puzzles.

## Pathways to Write – Autumn 1

This half term our Pathways to Write book is 'The Gingerbread Man'.

At the end of this unit children will be able to depict the main events of the story using between 3 and 5 images. Pupils will also mark next to each image explaining what is happening. The children will enjoy learning about recipes, listening to different versions of the story, role playing in the provision, making maps and even making and tasting their own gingerbread!

## Pathways to Write – Autumn 2

Next half term our Pathways to Write book is 'The Three Little Pigs'.

At the end of this unit the children will be able to label a plan and write a simple caption. We will enjoy listening to the story, sing piggy rhymes, create posters, write speech bubbles, create artwork and build stick, straw and brick houses.
