

## PHONICS

Children will be reading words and story books using the Set 1, 2 and 3 sounds that they know.  
They will write words and sentences using the sounds they know.

## ENGLISH

Using 'The Last Wolf' by Mini Grey we will be practising the writing skills we need to use, to help us write a persuasive letter.

Some of the books we will be reading this half-term are:

## MATHS

The children will be learning about fraction, where they will be finding half, quarters and thirds of numbers and shapes.

After fractions we will be learning about time, where the children will learn how to read both a digital clock and an analogue clock to the nearest 5 minutes.

## SCIENCE

### Growing up

The children will be learning about the life cycles of different animals, including humans, amphibians and butterflies.

## PATHWAYS TO READ

### Fantastic Mr Fox by Roald Dahl

The children will be using Fantastic Mr Fox to practise their predicting, clarifying, retrieving, inferring and summarising skills.

## HISTORY

### What is a monarch?

The children will be learning about the role of a monarch and the coronation ceremony. They will also find out about William the Conqueror and learn how castles have changed over time.

## PHYSICAL EDUCATION

### Hockey/ Attack and Defend

The children will be learning the basic rules and skills needed to play hockey. Children will compete in individual activities and team games to develop an understanding of attacking and defending principles, as well as improving their resilience and determination

Year 2

**St. Matthew's**   
CofE Primary School

## Curriculum Overview Summer Term 1

## COMPUTING I BLOG

The children will be learning how to create their own blogs.

## MUSIC

### Structure – Myths and Legends

The children will be exploring and organising rhythms.

## ART & DESIGN

### Painting and mixed media: Life in Colour

This unit focuses on teaching primary and secondary colours, colour mixing, and creating textures using different tools. It also covers collage techniques, encouraging pupils to experiment with materials and evaluate their artistic choices and aims to develop children's understanding of colour, texture, and composition in art.

## PSHE

### CITIZENSHIP

Children will be learning about the different rules we have for different places. WE will also think about the roles people have in our community that help make it a pleasant place to live.

## RELIGIOUS EDUCATION

### Ascension and Pentecost

The children will be learning about the events of ascension and Pentecost.
