# Nursery

Nursery have had a lovely time going for a walk to explore our local area. They were keen to look out for homes of family and friends and had fun counting how many cars they could see. We talked about the importance of walking on the path and always putting our litter in the bin. In the distance we spotted a church, mosque and a builder up a ladder! We even met a postman who was busy delivering letters!

## Year 1

Year 1S have been working hard in computing learning all about algorithms. They have learnt how to program the beebots (floor robots), following specific instructions.

## Year 3

Year 3 have been learning about Dover, France and Canada in their theme lessons. They drew a picture of the White Cliffs of Dover.

# Sporting Events

Children have again been taking part in a range of inter-school sport festivals. This month these have included gymnastics, football and athletics. Well done to everyone who has represented school.

## Choir.....

Choir had an amazing time singing at Manchester Arena with the Young Voices Choir. They joined 8000 school children, and had learn 10 songs with dance moves. It was a great experience!
