### Reading and Lending Library

Reading to children is the best way of encouraging them to love books and reading. In

Nursery we read stories every day and the children will have lots of opportunities to read for themselves.

Each week the children will come home with a Library Book which they will have chosen from our Lending Library. Please read and talk about this book at home with your child.

### Spring 1 Naughty Bus

Our Pathways book is the Naughty Bus. The children will retell the story using small world toys.

To help improve the children's communication and language skills the children will be encouraged to join in during small group narrative activities.

We will also learn about Winter with a focus on the cold weather and winter clothing.

### Spring 2 The Journey Home

Our Pathways book is The Journey Home. We will learn about different families and the children will continue to develop their writing skills using a variety of mark making tools.

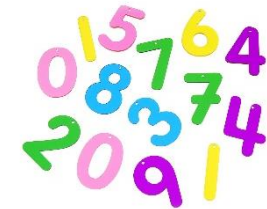

### Helping at Home

You can help your child to become independent by showing them how to put their coat, shoes and other clothes on independently.

### Maths

The children will continue to strengthen their mathematic skills through a variety of fun ways! We will learn rhymes, solve problems together and explore number in both the indoor and outdoor provision. The children will learn to subitise, compare amounts and count items using 1-1 correspondence.

### Name Writing

Each day we teach the children to read and write their names. It is really important that you help your child to write their name at home.

### Outdoor Provision

Outdoor provision will always be available. There will be a wide selection of activities on offer such as bikes, sand, water, large construction and climbing equipment.

### Nursery Rhymes

The Wheels on the Bus, Five Little Ducks, Five Little Men in a Flying Saucer, Ring O Ring O Roses, Peter Rabbit has a Fly Upon His Nose.

### Easter

We will learn about Easter and what this means for Christians.
