

St. Matthew's

CofE Primary School

"Let all that you do be done with love." 1 Corinthians 16:14"

Science at St Matthews nurtures the natural curiosity of children and develops their inquisitive minds. Our children are given opportunities to question, explore and explain their ideas, deepening their understanding of the world around them.

Science at St Matthews is good or outstanding when:

- Children are enthusiastic and engaged during lessons.
- All children are included and supported.
- Children are active and participating in practical activities.
- Children can explore using the different types of enquiry.
- Children are able to use scientific vocabulary to explain their ideas
- Children can ask questions about their learning.
- Children show independence and resilience.
