A01: Mind Map

Introduction into mock exam paper

Externally set task
Component 2

By the end of your externally set task you will be able to independently develop observations, artist research and interpretations linked to an externally set paper. You will be able to show your own intentions and develop unique ideas linked to your findings. You will be able to develop your ideas and experiment with a range of appropriate media into a personal outcome.

A04: Final outcome

A04: Final Piece

A02: Design development/samples

A01: Artist interpretations

A01: Artist copy

A02: Initial Ideas

A01: Artist research

By the end of your mock exam project, you will understand how to develop a project linked to an externally set question. You will be able to research, develop and produce a final outcome linking of all these together. You will understand how timings can affect an outcome.
