5 October 2026

Dear Parents and Carers,

At St Michael's, we are committed to supporting every student to achieve their full potential. As part of this commitment, we provide achievement and revision support to help students and families prepare effectively for both mock and public examinations.

Year 11 mock examinations begin in the week commencing **11 November**, which is now only four school weeks away.

Unfortunately, due to a very low number of registrations, we have had to cancel this Wednesday's planned **Fish and Tips Revision Evening**. The event was due to include guidance from our English and Mathematics Trust Directors, alongside workshops on effective revision techniques.

To ensure that students do not miss out on this important support, we will:

- Record the planned presentations and deliver them through a series of form-time sessions.
- Make the presentations available to parents via the school website by the end of the week.
- Provide all students with the revision booklets and supporting materials during Period 5 on Thursday, so that they can take them home.

I would also like to remind you that our weekly Year 11 exam preparation sessions continue to run:

- **Monday:** History and Geography
- **Tuesday:** Computer Science
- **Wednesday:** Science
- **Thursday:** English and Mathematics

Please support your child by encouraging them to attend these sessions regularly. They provide valuable guidance, practice and subject-specific support as students prepare for their mock examinations.

Yours sincerely,

M. McAuley
Deputy Headteacher
