29th May 2026

Dear Parent(s)/ carer(s)

Please give consent by 22/6/26 to protect your child against preventable diseases

Your child is now due their HPV (Human Papilloma Virus) vaccine. This will take place in school on **Monday 29th June 2026**.

The vaccine protects your child from Human Papilloma Virus which can cause some cancers and genital warts. Without it they might not be protected from these serious diseases. Most children, who are eligible each year, are vaccinated against HPV. Without consent for vaccination your child might miss out on this protection.

Please give or refuse your consent by **22/6/26** using this [link](#)

<https://nhslmms.azurewebsites.net/session/eff30408>

Young people can consent to their own health care if they are assessed as being able to do this. For further information on young people's right to consent please click.

Information regarding these vaccines is available on the NHS website:

[HPV vaccine - NHS](#)

Some videos that you and your child might find useful are:

[What is the HPV vaccine?](#)

[Getting Your Vaccine](#)

We can also catch up with missed doses of MMR, which protect against diseases that can be very serious (measles, mumps and rubella). If your child has not had 2 MMR vaccinations, please contact us to consent separately for this.

If you have any queries, please do not hesitate to contact the Immunisation Team

Tel: 03333 583 397, option 3, option 3

Email: immunisations.teesvalley@intrahealth.co.uk

Thank you.

Yours sincerely

Julie Bowes, Immunisation Coordinator
