25 March 2026

Dear Parents and Carers,

I hope this letter finds you well.

Firstly, I would like to thank you for your patience and kindness with school, as we have transferred from the BromCom to the Arbor Management Information System. I am pleased to say that I now think most parents are up and running with the Arbor App and apart from some early hiccups, overall, most things seem to be running smoothly.

I also wanted to take the opportunity to remind parents that we are still running our afterschool Homework Club. This runs every Monday, Wednesday and Thursday from 3:30pm till 4:30pm. This is a great opportunity for students to complete homework in a calm and supportive environment with staff on hand to help.

Homework club offers a quiet, focused space to complete homework and a chance to stay organised and keep on top of the homework workload. Specialist subject support is available as below:

- **English Support:** Mr Smith will be available on **Mondays and Wednesdays** to help with reading, writing, and English homework.
- **Maths Support:** Miss Dixon will be supporting **Maths on Wednesdays**, offering help with classwork, Sparx, and revision.

If a student wishes to attend Homework Club, they must see Mrs Morgan at break time to register for that evening's session. Once registered, the office will contact home to confirm the attendance arrangements with you as parents, so you know that your child is safe with us.

I would like to strongly encourage students to take advantage of this supportive and productive club and look forward to seeing many more of our students there.

Yours sincerely,

Mrs C Humble
Headteacher
