4 June 2026

Dear Parents and Carers,

Sports Day – Wednesday 1 July 2026

I hope this finds you well.

Our annual Sports Day is taking place on Wednesday 1 July 2026.

Accordingly, all students are allowed to come to school wearing their PE kit. As students will watch the field events on Wednesday afternoon, it is important to reduce the possibility of overheating in the summer sunshine July promises. I would encourage students to bring with them a sensible cap or sunhat to wear whilst on the school field. Additionally, students may bring sun cream for skin protection.

Please remind your child to bring their water bottle, especially on what could potentially be a warm day. We will have water stations available for the students during the afternoon and cool areas available which they may use when necessary. If your child would like to purchase an ice-pop whilst on the field these will be available for 20p each.

Should there be any problems with the weather on 1st July 2026, the reserve date will be Wednesday 8 July 2026.

We look forward to celebrating another enjoyable and memorable Sports Day with our students. Thank you for your continued support. Your ongoing encouragement and involvement are greatly appreciated, as they play an important role in helping us provide the very best experiences and opportunities for our students.

Yours sincerely,

Clare Humble
