Falcon Court, Stockton on Tees, TS18 3TX.  
Telephone: 03333 583 397 option 3 and 3

**Give consent by 5/3/26 to protect your child against preventable diseases**

Your child is now due their Tetanus, Diphtheria & Polio (Td/IPV) – also known as the 3-in-1 teenage booster and Meningitis ACWY Immunisations. This will take place in school on **12/3/26**.

Meningitis can be dangerous for teenagers, and it spreads very quickly.

The 3-in1 booster vaccine protects your child from Tetanus. Diphtheria and Polio. It adds to the protection they received as a baby. Without it they might not stay protected from these diseases for life.

Please give or refuse your consent by **5/3/26** using this link

<https://nhslmms.azurewebsites.net/session/383b754e>

Young people can consent to their own health care if they are assessed as being able to do this. For further information on young people's right to consent please click [here](#).

Information regarding these vaccines is available on the NHS website:

[MenACWY vaccine - NHS \(www.nhs.uk\)](https://www.nhs.uk)

[3-in-1 teenage booster overview - NHS \(www.nhs.uk\)](https://www.nhs.uk)

Some videos that you and your child might find useful are:
