21 November 2025

Dear Parents and Carers,

I hope this finds you well.

With the recent cold weather it does feel like winter has arrived early and with its arrival there are necessary maintenance checks which we need to carry out to ensure St Michael's continues to stay open during the colder days to come.

Accordingly, I have organised for the maintenance checks to take place at the end of the school day on Monday 24 November 2025. This means that for those students who would take part in any afterschool activity such as, exam preparation, sporting activities, homework clubs, meetings etc these will **all be cancelled on Monday and students will be expected to leave the school site at 3.25pm.**

I would like to take this opportunity to thank our Year 11 students and parents for supporting our targeted exam preparation programme which takes place during selected lunchtimes and after school. These sessions have been designed to develop key skills and deepen understanding, helping our students to boost their grades in the mock and final examinations. Next Wednesday our Year 11 students begin their mock examinations therefore they will not be required to attend exam preparation sessions until after the Christmas holiday.

Thank you for your partnership and continued support.

Yours sincerely,

Clare Humble
Headteacher
