

# Year 9 French

I can use the present, past, future and conditional tenses. I can express opinions with more detailed justification. I can include some qualifiers, time phrases and conjunctions. I can use efficiently superlatives and comparisons. I have developed an understanding of the French Speaking culture and I have compared it to my own identity.

By the end of this year you will be linguistically competent to talk about your house, your town and local area, the pros and cons of living in a city & countryside, celebrations & festivals, music, films and TV programmes. You will also study a French film *Le petit Nicolas*
