Wynyard Hall have provided the following guidance to ensure the event runs smoothly and safely:

- Students are responsible for arranging their own transport. It is recommended that students share transport where possible.
- Cars may drop off directly at the Hall before leaving the site.
- No parking is permitted directly in front of the Hall.
- Parents wishing to stay to take photographs as students arrive should park in the large car park near the gardens and walk to the Hall.
- Students arriving with parents should walk to the Hall together.
- Parents must supervise any younger children attending during drop-off and photo opportunities.
- From 9:00pm, the gates will be locked. Parents collecting students will need to use the buzzer for access.
- A designated viewing area (Cordon zone) will be in place.
- Please ensure all attendees follow signage, particularly 'No climbing' notices.

We appreciate your support in ensuring that all arrangements are followed so that the evening is safe and enjoyable for all students. If you have any questions, please do not hesitate to contact the school.

Thank you for your continued support.

Yours sincerely,
