

# Art & design

A01: Artist research, copy and interpretations  
 A02: Design, development and experimentations  
 A03: Observational Studies  
 A04: Final piece outcome

By the end of your Close up project you will have developed your observational study skills using a variety of media and techniques. You will be able to refine your studies using various mark making techniques. You will have an understanding of how artists use primary and secondary images to inform their observational studies.

By the end of your illustration project you will have secured your knowledge and understanding of how to produce artist copies and interpretations developing your contextual studies. You will have developed your skills using a variety of media and techniques linking to the processes of illustration artists.
