Dear Parents and Carers,

I hope you are well and have enjoyed a restful half term.

I am aware that there have been a few issues with the standard of food served by the kitchen at St. Michael's and I want to reassure you that I am acting upon the concerns that have been raised.

To that end, I have involved Environmental Health services who will be coming in to randomly check the standards in the kitchen and that all procedures are fully compliant with food hygiene standards.

Additionally, I have asked for the Trust catering team to oversee work in the kitchen and restructured the staffing until further notice.

I have listened to the students and taken their opinions on board and I am determined to drive up standards with the expertise and support from outside agencies.

Yours sincerely,
