19 March 2024

Dear Parents and Carers,

### **Catering Price Increase from 15 April 2024**

We would like to advise from Monday 15 April 2024 there will be a slight increase on all products sold within your schools catering department. These increases will also affect main meals with a side which will increase to £1.95, and our meal deals which will increase to £2.35.

We are still incredibly competitive and are the cheapest in the area to provide a healthy, nutritious, sustainable lunch for all.

If your child qualifies for a free school meal, they will still be able to obtain a meal deal or use their allowance up to the value of £2.35 as they wish.

These changes will take place in all BHCET secondary schools.

Thank you for your continued support.

Yours faithfully,

**BHCET Catering Team**

**Christ at the Centre, Children at the Heart**
