

EMS Consultation 2024

Application Form

1. What phase are you applying for?

ARP / SEN Unit

Area of need

Number of places being offered

2. If you are an academy, can you confirm you understand that if you are awarded an ARP or SEN Unit, you are required to apply to the DfE to undergo the significant change process as outlined in the April 2024 guidance.
 - . Can you confirm that you have designated space within your school to accommodate the number of places being requested and that there is suitable capacity within the school to ensure that these places are additional and do not impact on your mainstream admission numbers.
4. Can you confirm that you will meet the staffing requirements indicated in the specification? Please provide some brief details about how this would be implemented and structured.
 - . Considering the area of need you are applying to support, can you provide a brief summary of how you intend to ensure that children's needs are met and that those attending the SEN Unit or ARP are part of your school community?

6. Do you have any further comments or questions that may impact the decision to award your school an ARP or SEN Unit?
