Dear Parents and Carers,

GCSE Maths Paper 2, Monday 3rd June

Our students have now completed their first maths exam. With each paper we can update our revision list and advise on what topics are more likely to appear on the next exam. These are predictions from studying past occurrence of topics and knowledge of the curriculum, however, any topic can still be tested.

To help students prepare for Paper 2 on Monday 3 June, we have the following resources available.

A predicted paper will be sent home with students over the half term holiday. Please encourage them to complete it. Foundation:

<https://www.mathsgenie.co.uk/resources/2024pred2f.pdf> Higher:

<https://www.mathsgenie.co.uk/resources/2024pred2h.pdf>

Solutions to mark their answers or for support can be found at these links. Foundation:

<https://www.mathsgenie.co.uk/resources/2024pred2fans.pdf> Higher:

<https://www.mathsgenie.co.uk/resources/2024pred2hans.pdf>

Half term revision will be in school on Friday 31 May B half 9am-11am and Y half 11am-1pm.

There will also be a Teams call for Higher and Foundation students on Sunday 2 June 12noon-1.00pm.

Revision list with links to questions and videos can be found here

<https://www.mathsgenie.co.uk/gcse-revision-summer-2024.html>

On maths also has some online papers to complete. Please ensure the correct tier (Higher or Foundation) and Edexcel are selected before completing.

https://www.onmaths.com/mock_exams/?archiveType=predictions

We will also continue to share videos, papers and solutions on Teams. Staff will be available from 8am on Monday 3 June for last minute questions and support before the examination begins.

Yours sincerely,

Mrs S Hanson
