9 July 2024

Dear Parents and Carers,

**Year 10 Mock Results Day**  
**Tuesday 9 July 2024**

It has been a very busy few weeks for Year 10 students with mock exams, College visits, a trip to Barcelona and Flamingo Land – I think it is fair to say that the Y10's have had a very eventful half-term.

Whilst the Y10's have been busy, their teachers have also been very busy marking the recent mock exams ready to share the results with the students. Today, students in Year 10 will receive their mock examination results. The results will be distributed in our 'Mock Exam Results day' experience held in the assembly hall at 12:00 noon.

This experience is as much like the actual results day as a possible, where students will receive an envelope with their grades in and they can open this by themselves or with their friends.

I have spoken to all Year 10 students this morning in our assembly about self-belief and about how they can be successful with their GCSEs even if the grades today are not what they want!

A copy of this report will be posted home to you before we break for the Summer and should you have any questions about the report, please do not hesitate to contact us. There will be a Year 11 Parents' Evening on Tuesday 17 September 2024 where you will get to discuss these results with your child's subject teacher.

Yours sincerely,

**Clare Humble**  
Headteacher
