

10 February 2025

Dear Parents and Carers,

**Year 10 Work Experience
23-25 June 2025**

It was lovely to welcome you all into the Academy on Thursday 6 February to mark the launch of our work experience programme 2025.

I thought it would be useful to write to you and share the information and links that were discussed, which will guide you and your child through the process.

Below is a link to a short video which describes the overall process:

The next link shows students how to submit their application on Unifrog. All login details and how to access Unifrog have been emailed to the student's school email address.

Thank you again for continued support, I am sure that this year's work experience programme will be very successful. Please do not hesitate to get in touch if you have any further questions.

Yours sincerely,
