

27 September 2024

Dear Parents and Carers,

### Year 11 Fish & Tips Evening and Revision Programme

Next Wednesday 2 October we are holding a "Fish & Tips" revision evening for students in year 11 and their families. This will be an exciting and interactive evening where you will have first-hand experience of different ways to revise and prepare for examinations.

We are offering a series of workshops outlined below to help students prepare for their upcoming mock and public examinations. The mock examinations are now less than six school weeks away and it is only twenty five school weeks until the start of the GCSE examinations. Our highest attaining students last year began their revision at this time, making an early start and doing a little each week is the best way to ensure that your child reaches their full potential.

The outline of the evening will be as follows:

- **5: 30 pm** Welcome in the hall.
- **5: 50 pm** Carousel of revision workshops.

How to Revise in English	How to Revise in Maths	How to Revise in Science	How to Revise in RE
Using Flashcards	Read, Cover, Check	Linkalots	Summarise

- **6:30 pm** Fish & chips and refreshments served in the dining room.

Following the revision workshops students and their families, including siblings, are welcome to join us for a free fish and chip supper. If you are able to attend, please complete the link attached with this letter to let us know how many people from your family will be attending. This will greatly support us in planning the revision sessions and catering arrangements. This will be an enjoyable and informative evening and we look forward to seeing you there.

Yours sincerely,

**M. McAuley**  
Deputy Headteacher
