

Y11 Geography Learning Journey

By the end of Year 11, we expect you to have an understanding of:

- ✓ How to draw conclusions and evaluations from human and physical fieldwork
- ✓ How economic development has impacted the quality of life for people in Nigeria.
- ✓ How the UK's post-industrial economy has grown.
- ✓ The distribution and use of UK food, energy and water supplies
- ✓ The impact of energy security around the world
- ✓ The pre-release material for the issue evaluation section of Paper 3.

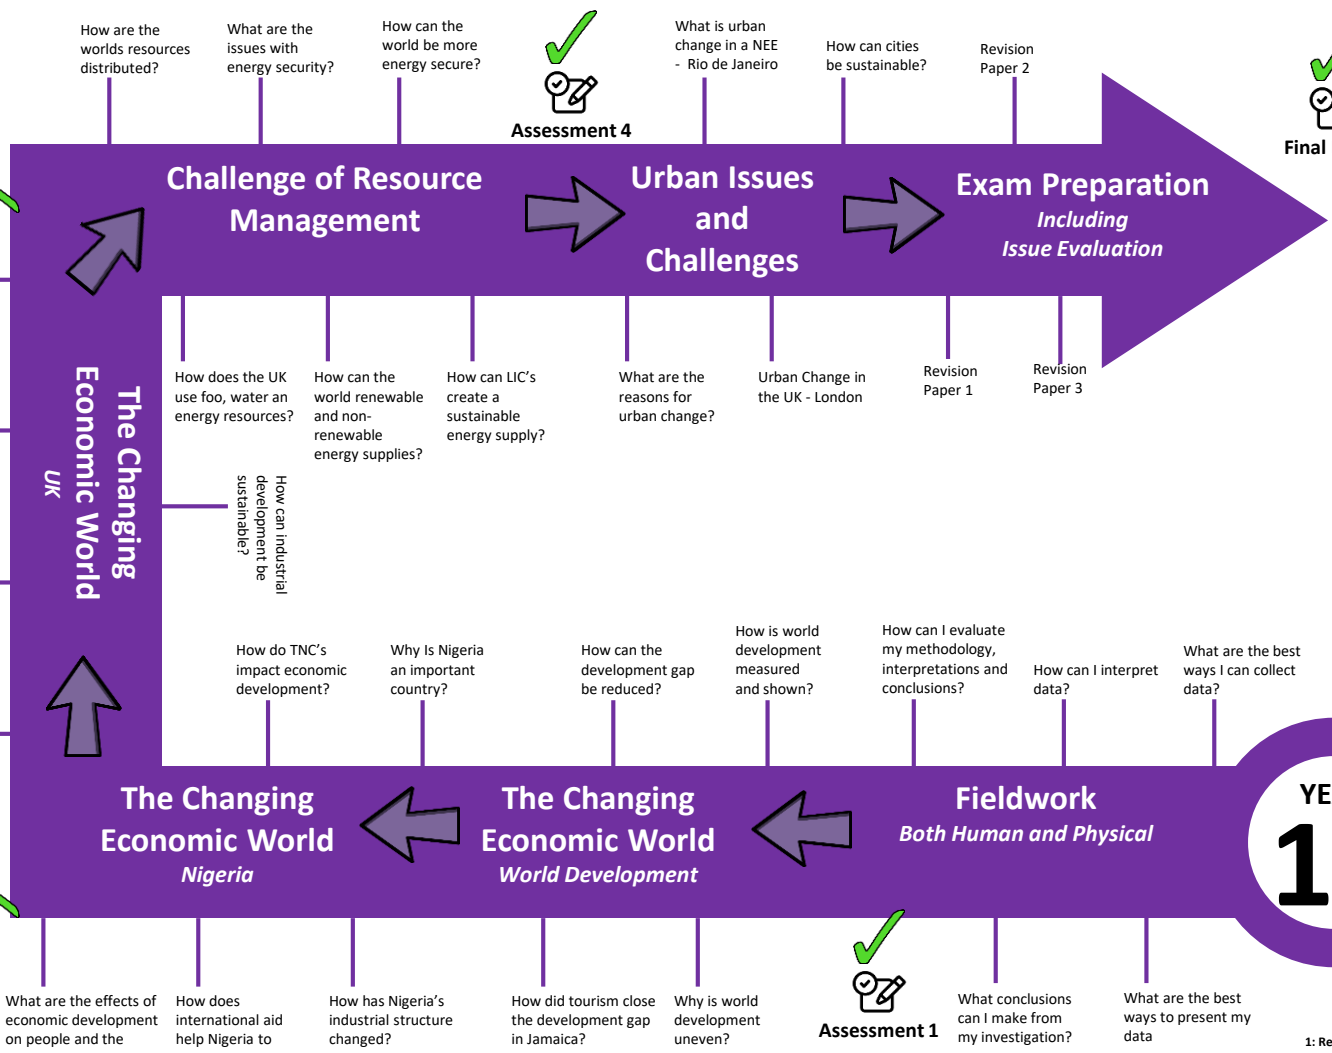

Y10 Geography

- Natural Hazards
- UK Physical Landscapes
- Living World
- Fieldwork

Assessments
You will be assessed on the following topics in geography this year:

1: Resource Management	Covering all of the fieldwork, both own and unseen
2: Economic World	Reasons for uneven development and ways to narrow the gap, Nigeria's economic development and the impacts on its quality of life
3: Economic World	Reasons for the changes to the UK economy, development of UK transport, UK's position in the rest of the world
4: Resource Management	Your mock exams in November will cover everything you have studied throughout the GCSE course.
5: Mock Exams	Your mock exams will cover everything you have studied throughout the GCSE course.
6: Final Exams	Three GCSE exams, covering Paper 1, Paper 2 and Paper 3

YEAR 11

Assessment 4

Final Exams

Assessment 3
