

## Y7 Homework – Geography

	<b>Task</b>	<b>Virtues used</b>
<b>Half-term 1</b>	<p><b>Task 1:</b> Physical geography fact-file.  <i>Students are to complete a fact-file about their chosen physical geography feature. This should include an image, its location and ten interesting facts.</i></p> <p><b>Task 2:</b> Human or physical geography?  <i>Students are to identify if each headline is an example of human or physical geography. They are then to use their knowledge from lessons to explain which type of human or physical geography it belongs to.</i></p>	<p>Self-Regulation            Confidence            Resilience</p>
<b>Half-term 2</b>	<p><b>Task 1:</b> Geography on a plate.  <i>Students are to complete a fact-file on their paper plate about a country of their choosing. They will include a variety of information in their work.</i></p> <p><b>Task 2:</b> Design a country.  <i>Students are to complete the booklet in which they will design their own country. This includes a variety of tasks, such as creating a flag, climate and laws for their country.</i></p>	<p>Self-Regulation            Confidence            Compassion            Resilience</p>
