

Y9 Set 1 Homework – Maths		
	Task	Virtues used
Half-term 1	Types of Number, Fractions/Decimals/Percentages, Graphs, Properties of Shapes, Perimeter and Area, Probability, Algebra	Self-Regulation Confidence Resilience
Half-term 2	Statistical diagrams, HCF/LCM, Rounding, Percentages	Self-Regulation Confidence Resilience
Half-term 3	Fractions, Proportion, Index laws, Equations	Self-Regulation Confidence Resilience
Half-term 4	Formulae, Averages, Drawing and Using Graphs	Self-Regulation Confidence Resilience
Half-term 5	Compound Measures, Real Life Graphs, Pythagoras, Trigonometry, Angles	Self-Regulation Confidence Resilience
Half-term 6	Pie Charts, Probability, 3D Shapes, Circles, Surface Area and Volume	Self-Regulation Confidence Resilience

Maths homework is delivered via an online programme www.hegartymaths.com Each week students will be set 2 tasks to complete on Hegarty related to their current work. Possible topics each half term are listed above. Students are given a homework book in which to make notes and do any working out, they are expected to watch the video provided to support them. Students login details are their name and date of birth, they set their own password – if they ever forget this they can send a password reset link to their teacher.

Y9 Sets 2-3 Homework – Maths

	Task	Virtues used
Half-term 1	Types of Number, Fractions/Decimals/Percentages, Graphs,	Self-Regulation Confidence Resilience
Half-term 2	Properties of Shapes, Perimeter and Area, Probability, Algebra	Self-Regulation Confidence Resilience
Half-term 3	Statistical diagrams, HCF/LCM, Rounding, Percentages	Self-Regulation Confidence Resilience
Half-term 4	Fractions, Proportion, Index laws,	Self-Regulation Confidence Resilience
Half-term 5	Equations, Formulae, Averages, Real Life Graphs,	Self-Regulation Confidence Resilience
Half-term 6	Drawing and Using Graphs, Compound Measures	Self-Regulation Confidence Resilience

Y9 Set 4 Homework – Maths		
	Task	Virtues used
Half-term 1	Types of Number, Fractions/Decimals/Percentages, Graphs,	Self-Regulation Confidence Resilience
Half-term 2	Properties of Shapes, Perimeter and Area, Probability, Algebra	Self-Regulation Confidence Resilience
Half-term 3	Statistical diagrams, HCF/LCM	Self-Regulation Confidence Resilience
Half-term 4	Rounding, Percentages	Self-Regulation Confidence Resilience
Half-term 5	Using a Calculator, Fractions	Self-Regulation Confidence Resilience
Half-term 6	Ratio, Proportion, Recipes	Self-Regulation Confidence Resilience
