2 November 2023

Dear Parents and Carers,

**Year 10 Information Evening Wednesday
15 November 2023, 6.00pm – 6:30pm**

I hope you and your families are well and your child has enjoyed their start to Year 10. It has been fantastic to see the positive start that the students have made to the year.

Year 10 is an important milestone in your child's educational journey as they begin their studies for the public examinations. Parents and carers have a vital role in supporting their children; your support is instrumental to your child's academic success. To enable you to help your child as effectively as possible I invite you to an information evening on **Wednesday 15 November from 6.00pm to 6 30pm**.

The evening will cover:

- Our Raising Achievement Plan, how this will support students in their studies and prepare them for their examinations.
- Key dates, such as periods of mock examinations and assessments.
- Expectations of students as they progress through their courses.
- Guidance for parents and carers in how to support their child academically, physically, and emotionally.

The evening will be held in the assembly hall, and parking will be available in the car park behind the school building. The evening is for both students and their families; please complete the attached form to confirm attendance.

I look forward to welcoming you on Wednesday 15 November.

Yours sincerely,

Matthew McAuley
Deputy Headteacher
