

Happy News

I am delighted to tell you that Mrs Stebbing, teacher in Ducks and Toucans, is expecting a baby. Huge Congratulations

to Mr and Mrs Stebbing on their news. We are hoping that Mrs Stebbing will be with us until May, and as soon as we have confirmed arrangements for her maternity cover we will let parents know.

Local Residents and Parents' Cars

We have had some very serious complaints from local residents about parents' attitudes and their behaviour when asked not to block driveways. The Police have been notified, and reports have been given to the Council who are going to send out Parking Enforcement officers. Current issues are in Evelyn Avenue and Park Road, although we have previously had complaints from residents who live in Coronation Road and Blackman Gardens. Please consider other people when parking, and understand that parents' behaviour reflects on the school.

Data Collection

As parents will be aware we have to keep a certain amount of information about children in school. Most importantly we need up to date contact details so that if we need to get in touch with parents during the school day we can. We also need to check with parents annually that their children haven't been diagnosed with any new medical conditions, and that previous medical conditions still exist. A letter will be coming home shortly explaining all of this, together with a data collection form for your completion, so please look out for this. Thank you.

New Vicar

We are very pleased that after two years of being without a vicar at St. Michael's Parish Church, our new vicar has been appointed. Reverend Alwyn Pereira was 'inducted' at a lovely service last Thursday evening. He is very keen to work with our children and I'm sure we will be seeing a lot of him in school in the coming months.
