School Learning Update

Last week the children returned from their half term break excited and ready to continue their learning and it was lovely to see how engaged they were across the school.

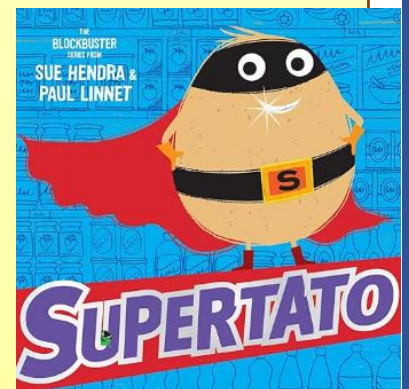

YR have been learning about superheroes over the last few weeks, linked to the story 'Supertato'. They made their own superhero books and enjoyed proudly showing these to me when I went in to visit.

Y1 have been painting Spring paintings and looking at changes to the trees in Spring.

After learning about Florence Nightingale last term and the changes that she made to nursing, Year 2 have now gone back in time to learn about the Great Fire of London and the changes that resulted from this disaster.

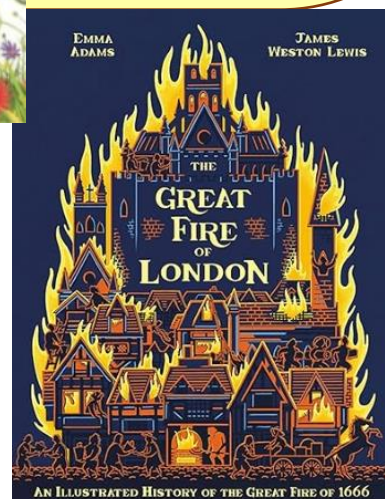

We would recommend borrowing these books from the Aldershot Library if you are looking to support the children's learning with reading at home.
