

A Sad Goodbye

Sadly I have to tell you that Mrs Munro will be leaving us. She is going to work with her husband in his own business, and her last day will be this Friday. Mrs

Munro has been employed here for just over 16 years, and has been a classroom assistant, 1:1 learning support assistant, Emotional Literacy Support Assistant and also involved in parent support. As part of her 'ELSA' role she initiated 'Lunch Bunch' to cater for children who find lunchtimes difficult. She worked at our Breakfast Club when it was first set up here, and more recently she has been responsible for running it. She has been a tremendous support to staff, children and their families and we are very sorry to be losing her. Breakfast Club and Lunch Bunch will continue. I am sure that you will join with me in wishing Mrs Munro all the best with her new venture, and we hope that she will pop in and see us from time to time. A huge thank you to Mrs Munro for all her work here. She will be very much missed.

Reading Challenge

Thank you to all our parents who encouraged their children to complete the Epiphany reading challenge.

Overall we were very pleased with the participation, and feedback from children has been positive. Some children did extra reading so drew extra presents. The numbers of children completing the challenge for each class were as follows.

Owls and Flamingos	18
Parrots and Penguins	17
Ducks and Toucans	20
Hedgehogs	18
Rabbits	17
Moles	20
Squirrels	17
Badgers	17
Foxes	13

Children's Absence

Please remember that if your child is absent from school you need to telephone the school office, or email us using the contact form on the school website, to let us know. It is vital that parents do this, so that we know your child is safe.
