

Celebration 'Street Party'

Our 'Street Party' on Friday was a huge success. We had an amazing band of helpers (both parents and staff) taking all the classroom tables out into the playground, as well as enough chairs for the 264 children in school that day. The weather held out for us, we sang 'Happy Birthday' to the Queen, and the children enjoyed their packed lunches together with the cupcake they had iced that morning in red, white and blue. This just wouldn't have been possible without all the adult 'furniture movers', who did a double-job because the playground had to be returned to normal as soon as possible after the children had finished eating so that they could have their playtime. Our children, as always, were amazingly well behaved. We have lots of photos which will appear on the website as soon as they have been checked to ensure that there are no images of any child whose parents haven't given permission, which as you may imagine, can take a little while!

Summer 2 2016

13th June 2016

FoSM Summer Fair

Another very well-supported and successful event. It was lovely to see so many parents here, and to see the children enjoying themselves, particularly those trying to kick the ball into the goal with the most force! The winners of this were:

Pre-school	Levi Campbell
4-8 years	Nathan Carré Norton
9-12 years	Toby Hewett
Adult	Samuel Guard's Dad, David

Thank you for all your donations for the bottle and chocolate tombola, and congratulations to the winners of the cake competitions.

Child cupcakes	Oliver Bennett
Child large cake	Ruby Robinson
Adult cupcakes	Jacob Baker's Mum, Ruth
Adult large cake	Tate Miah's Dad, Tipu

None of this would have been possible without the FoSM organisers, and the additional parental help. We will let you know how much money we raised as soon as the final total has been calculated.

Victoria Day Parade

Another amazing turn-out, over 70 children and 20 adult helpers, and we won a trophy for best in parade! A big thank you to all our wonderful parent helpers, and to our children who were brilliantly behaved (again!), despite having to do lots of waiting around. Once the parade started it all went quite quickly, but lots of us had already been waiting for about an hour by then. Thanks to Oliver Bennett whose sharp ears heard the announcement that we had been awarded first prize. Once we knew, we tried to gather as many children together as possible to accept the award, but most had already gone. Thanks also to Mrs (Helen) Jackson who made our lovely 'St. Michael's Infant School' banner. We have had some suggestions that we should display that in school, and it will certainly be used in the future.

Penalty Shoot-Out

Thank you for supporting this event, which the children loved, and thank you for Mr Sanders for being there. We are still getting some sponsor money coming in, but so far we have raised over £800 which is excellent news.

Brickfields Fun-Day

Our next Community Event is to support the Brickfields 'Fur and Feathers' Fun Day on Sunday 3rd July. We use the Brickfields Country Park as a resource for Science and Geography, and every year we support them by running a Soft Toy Tombola at their open day, so we need your support in donating unwanted soft toys for the tombola. Year 2 children have already been invited to help run the stall together with school staff. Please send any unwanted soft toys to school by **Friday 24th June**, and we would love to see you at the event between 11am and 4pm on **Sunday 3rd July**, where there are lots of free activities for children.

Sports Day

A reminder that it is our whole school Sports Morning on Thursday 23rd June on the Junior School Field from 9.30 am. Please don't enter the Junior School building for any reason. The infant school will be open for parents to use the toilets. Should the weather be poor, we will let parents know by text as soon as the decision is made to postpone the event. Please don't telephone the school! No news means the event is going ahead.
