Dear Parents, Carers, Children and the wider St. Nicholas community.

I am delighted to share with you the outcome of our recent Ofsted inspection, under the new framework.

We are incredibly proud to report that our school has been judged **STRONG in every area**.

This is a truly wonderful achievement and reflects the dedication, passion and unwavering commitment shown by our staff every single day. Our teachers and wider team work tirelessly to ensure that every child receives a high-quality inclusive education in a supportive, nurturing environment where they can thrive.

The report recognises the strength of our curriculum, the overwhelmingly positive attitudes of our pupils, and the caring relationships that underpin everything we do. It celebrates not only the academic progress of our children, but also their personal development, behaviour and wellbeing.

We would like to take this opportunity to thank you - our parents and carers - for your continued support. The partnership between home and school is vital, and this outcome is a testament to the strong community we have built together. Your encouragement, trust and engagement help us create the very best experiences for our children. I also want to personally thank everyone who completed Ofsted's Parent View survey.

We are also immensely proud of our pupils, whose enthusiasm, kindness and determination shone throughout the inspection. They are excellent ambassadors for our school.

While we celebrate this amazing success, we remain committed to continually improving and ensuring that every child achieves their full potential.

The Chair of Governors and I are extremely happy that the hard work of our school team has been recognised, and I'm sure you'll join me in congratulating everyone in our school community – especially our dedicated and talented staff.

I want to draw your attention to the following amazing feedback we received:

'Pupils know what is expected of them. They are polite, courteous and learn to manage their emotions maturely.'

'The Reception class is alive with stories, rhymes and songs.'

'Leaders have a clear and ambitious vision for the school.'

'Parents and carers are equally positive and proud of the school. They appreciate the time that staff take to build relationships with them and value the 'family feel' of the school.'

'Pupils have a sense of belonging at this welcoming and vibrant school.'

You can also access the report in full on our school website

Thank you once again for all the support you continue to give the school.

If you have any questions, please don't hesitate to contact me.

Kind regards,

Miss C Taylor
