

PE and Sport Premium for Primary Schools

The PE and Sport Premium is designed to help primary schools to improve the quality of the PE and sport activities that they offer to pupils. The money received by primary schools is set aside to impact on the aim above and is available to maintained schools like ours, academies and free schools and special schools.

Our school receives funding based on the number of pupils in Years 1 to 6. We will therefore receive £19410.

Schools are free to choose how to spend the PE and Sport Premium funding but are accountable to Ofsted for the impact of this funding.

At St Nicholas C of E Primary School we have a strategic approach to the spending of this funding so that we can maximise its impact and enrich the lives of our pupils so that they are set on the path to healthy and active lifestyles as adults.

Our priorities and vision are as follows:

- To develop the quality of teaching in PE to make sure that teaching of PE is of a sustained high quality.
- To develop healthy lifestyles for all pupils which include regular access to exercise and participation in a range of sports, and an understanding of healthy living and how to lead healthy lives.
- To develop and nurture children with particular talents and abilities giving them a window to participate with equally gifted peers and signpost them to clubs and third parties who can develop their skills and abilities further.
- To provide the children with space and means to be active throughout their school day and after school.

You can read how we have planned to spend this funding below:

St Nicholas Church of England Primary School

Impact Plan for PE Premium Funding 2018-19

Personal Responsible for this plan: Naomi DuQuesnay

Focus for Funding (What do we intend to gain from this spend?)	Activity Planned to meet need	Date	Cost	Impact
Joined Lancashire Learning Excellence for PE to ensure access to specialist and expert support, thus keeping the school fully updated.	Accessed membership information, attendance on the courses included in the membership, meetings with the PE advisor and cluster meeting to share practice, etc.	From Sept 2018	£600	Attended a number of courses which included update of KS 2 scheme of work, Assessment in PE and the Lancashire PE conference. Scheme of work has now been implemented. I have spoken to SMT regarding assessment tools and this is something we are looking to implement alongside the other foundation subjects.
To provide all the pupils with opportunities to develop healthy lifestyles.	<p>BFC community trust to deliver health and fitness after school clubs.</p> <p>Fit2Go programme to be delivered to all year 4 children.</p> <p>Change for life after school club offered to year 2, 3, 4 and 5.</p> <p>Health week planned for summer 2019</p> <p>At least 4 free after school sports clubs to be delivered each week.</p> <p>Lunch time clubs per day delivered to two year groups per day to increase levels of vigorous exercise.</p>	From Sept 2018	£3200	<p>192 places have been offered over the academic year for the BFCCT ASC where a variety of sports clubs were delivered.</p> <p>Three football clubs ran throughout the year, including, for the first year, a girls' team. The teams entered the local league.</p> <p>Two high 5 teams trained and competed in the local league. The competitive team gaining second place in the final.</p> <p>Two lunch time clubs have been organised and run by a number of year 5 and 6 children who took part in 'Playground buddies' or 'PALs' training. These allowed 24 children a day to access a range of equipment to practice their fundamental PE skills and apply them to fun games.</p>
To develop and nurture children with interests and talents in sport.	<p>Enter the Blackpool School Football League for both competitive and developmental level.</p> <p>Enter the Blackpool High 5 League for 2018-2019</p>	From Sept 2018	£3500	43 children trained weekly with the football teams. These included a developmental, competitive and girls' team. The competitive

	<p>Enter the Blackpool Primary School Indoor Cricket League Enter the Blackpool School Games events. Enter the Blackpool Youth Games. Year 5 to participate in the 'School Dance' event at the Tower Ballroom in March 2019 All year 2 children to participate in cricket coaching Selected children from Key stage 1 and 2 will be entered in to a range of level 2 competitions including gymnastics, cross country, orienteering, athletics, cricket, golf and swimming.</p>			<p>and developmental teams entered the Blackpool School League. The girls' team was set up after the deadline for entries. After a term of coaching, we competed in the indoor cricket league, playing a total of 20 games against other schools. All the year 5 children had 5 weeks of dance coaching from AA Ballroom. They were then invited to perform at Blackpool Tower Ballroom in front of family and friends. Throughout the year children from year 1 –year 6 were selected to take part in a range of Level 2 sporting events. We entered in excess of 20.</p>
<p>Increase the range of lunch time activities</p>	<p>All year 6 children to participate in a 6 week play PALS course. On a weekly basis, children to then plan and deliver a sports club to a year group every lunch time for ½ term (years 1 -5 will have a lunch club each week) 16 year 5 children to participate in a play workers course and the lead the fitness trail lunch club The outdoor committee to order a selection of equipment to facilitate the lunch clubs that are on offer.</p>	<p>From sept 2017</p>	<p>£800</p>	<p>The lunch time clubs have been a huge success for both the children who participate and those who deliver them. There has been a noted improvement from lunch time staff. They will continue next year for both. Meeting was held with outdoor committee to select and purchase equipment.</p>
<p>Opportunities for children to expand their skills as they learn new sports as part of PE curriculum Making links with local sports clubs</p>	<p>Year 3 children to complete a 6 weeks roller booting course where they will be invited to have a free trail at an out-of-school lesson. Year 6 children to complete a 6 weeks karate course where they will be invited to have a free trail at an out-of-school lesson. Year 5 to complete 6 weeks of in-school rugby coaching delivered by Fylde Rugby coaches. Links to the club to be maintained throughout the year. Year 4 to have 6 tennis coaching lessons run by the local tennis coach. Year 5 to have 5 dance lessons in preparation for the School of Dance show.</p>	<p>From Sept 2018</p>	<p>£2000</p>	<p>Each year group had the planned opportunities for in school deliver of these sports except for the year 5 rugby as this couldn't be facilitated. A number of children have now taken up these sports in their own time or joined one of our ASC.</p>

Early years children and key stage 1 balance bike sessions	All Reception children to have the opportunity to complete the HSBC British Cycling Ready Set Ride programme. This will involve the completion of the training course by N.DuQuesnay and the purchase of 15 balance bikes and helmets to be retained by the school. In-school sessions and after school clubs to be run by N.DuQuesnay.	January 2019	£1342.50	All 60 Reception children completed the programme and additional sessions were carried out over the year to further support those children who were identified as lacking confidence. Once a set of our own balance bikes were ordered, a 6 weeks in school balance bike course was run for all year 1 children. The purchase of our own balance bikes enabled us to run a targeted ASC for those children in years 1 and 2 who were not yet able to ride a bike. It was a great success and all 15 children finished the course able to confidently balance and glide.
To offer all teaching staff the opportunity partake in a range of CPD.	Sport Blackpool, Lancashire and BFC community Trust CPD courses advertised to all staff via email and in the staff room.	From Sept 2018	£45-£120 per course (£1000)	Courses were made available to staff, however none were taken up. This is something that needs to be addressed next academic year to ensure people CPD is met.
MUGA with running track	Money set aside for the MUGA with running track (quotes are currently been sourced for an estimated start date of 2019). MUGA to be used to improve the outdoor environment for PE lessons, before school, lunch and after school clubs and competitive matches. This is due to restricted space on the playground and waterlogged field. The running track will be used for the daily mile challenge.	Continue from 2017/2018	£13691	
Maintain PE equipment stock	Purchase new equipment if damaged, lost or due to wear and tear.	From Sept 2017	£1000	Equipment was purchased throughout the year to ensure PE sessions and sports club were appropriately equipped.
			Amount allocated:	£19410
			Carry forward:	£8066
			Total planned spend:	£27476
