

# PE and Sport Premium for Primary Schools

The PE and Sport Premium is designed to help primary schools to improve the quality of the PE and sport activities that they offer to pupils. The money received by primary schools is set aside to impact on the aim above and is available to maintained schools like ours, academies and free schools and special schools.

Our school receives funding based on the number of pupils in Years 1 to 6. We will therefore receive £18,842.

Schools are free to choose how to spend the PE and Sport Premium funding but are accountable to Ofsted for the impact of this funding.

At St Nicholas C of E Primary School we have a strategic approach to the spending of this funding so that we can maximise its impact and enrich the lives of our pupils so that they are set on the path to healthy and active lifestyles as adults.

Our priorities and vision are as follows:

- To develop the quality of teaching in PE to make sure that teaching of PE is of a sustained high quality.
- To develop healthy lifestyles for all pupils which include regular access to exercise and participation in a range of sports, and an understanding of healthy living and how to lead healthy lives.
- To develop and nurture children with particular talents and abilities giving them a window to participate with equally gifted peers and signpost them to clubs and third parties who can develop their skills and abilities further.
- To provide the children with space and means to be active throughout their school day and after school.

You can read how we have planned to spend this funding below:

## Impact Plan for PE Premium Funding 2019-20

Personal Responsible for this plan: Naomi DuQuesnay

Key indicator	Focus for Funding (What do we intend to gain from this spend?)	Activity Planned to meet need	Cost	Impact
<b>To engage all pupils in regular physical activity.</b>	Opportunities in place to ensure all pupils receive 30 minutes of physical activity each day in school.	Development of playground so there is a variety of activities children can take part in. Ensure Sports Leaders are helping during lunchtime in terms of running clubs. Develop active learning in other lesson (Maths of the Day) Introduce daily mile so all pupils are undertaking physical activity as part of the 60 minutes a day. Development of a 'I Can' club to target less active children. To purchase and trial the 'Active 30:30'.	Track- £  Maths of the Day £645  Active 30:30- £100	Playground PALs ran each day on a rota basis to ensure every year group had the opportunity to participate in structured play each week organised by the children in the playground committee. More equipment was bought at a cost of £600 Year 6 Sports leaders had 6 weeks of training to develop their knowledge and confidence to deliver sporting activities to younger children. Teach Active was purchased in October 2019. Staff were trained on how to access and deliver the programme in November 2019. Many teachers have utilised it but I believe it would be a valuable resource for teaching assistants so I will run a training session in Sept 2020. Active 30:30 wasn't purchased prior to the pandemic. Plans are now in place for the building of a mile track for the 2020-2021 academic year. 'I can' has been postponed until next year.
<b>The profile of PE and sport being raised across the school as a tool for whole school</b>	Lancashire PE Membership will allow school to	Coordinator to offer up to 6 workshops to staff for them to sign up to relevant ones.	Membership - £650	Membership was purchased in Sept 2019. Courses were booked for 5 members of staff to improve their knowledge and confidence to deliver PE in their specific key stage. One
