Making an application

Applications for admission to the school for September 2026 should be made on-line at www.blackpool.gov.uk/schooladmissions between 1st September 2025 and 15th January 2026. It is not normally possible to change the order of your preferences for schools after the closing date.

Parents **must** complete the Local Authority electronic form, stating three preferences. For families who are unable to apply online, application forms can be requested from Blackpool School Admissions Team on 01253 476637 or schoolaccess@blackpool.gov.uk

Parents who wish their application to this Church school to be considered against the faith criteria **must** also complete the Supplementary form. If the school is oversubscribed, a failure to complete the Supplementary form may result in your application for a place in this school being considered against lower priority criteria as the Governing Body will have no information upon which to assess the worship attendance.

The Supplementary Information Form must be completed at the time of application and is available from the school or online at <https://www.st-nicholas.blackpool.org.uk/info-for-parents/admissions>

The Supplementary Information Form must be returned directly to the school by 15th January 2026 if parents wish their application to be considered against faith criteria.

For parents applying online, emails informing parents of whether or not their child has been allocated a place will be sent out by the Local Authority by or on 16th April 2026. Parents of children not admitted will be informed of the reason and offered an alternative place by the Authority. Parents applying by hard copy forms will be informed by letter.

Admission procedures

Arrangements for admission have been agreed following consultation between the Governing Body, the Diocesan Board of Education, Local Authorities and other admissions authorities in the area.

The number of places available for admission to the Reception class in the year 2026 will be a maximum of 60.

The Governing Body will not place any restrictions on admissions to the Reception class unless the number of children for whom admission is sought exceeds their admission number. By law, no infant class may contain more than thirty children.

The Governing Body operates a system of equal preferences under which they consider all preferences equally and the Local Authority notifies parents of the result. In the event that there are more applicants than places, after admitting all children with an Education, Health and Care Plan naming the school, the Governing Body will allocate places using the criteria below, which are listed in order of priority.

1. **(a) Children in public care and previously looked after children.**

This means a "looked after child" or a child who was previously looked after but immediately after became subject to an adoption, child arrangements or special guardianship order, including those who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted (please see definitions below). A 'looked after child' is a child who is (a) in the care of the local authority or (b) being provided with accommodation by a local authority in exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to the school.

An adoption order is an order under the Adoption Act 1976 (see Section 12 adoption orders) and children who are adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders). A 'child arrangements order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989 as amended by Section 14 of the Children and Families Act 2014. Section 14A of the of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individual's to be a child's special guardian (or special guardians). A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.

(b) Children with special medical or social circumstances affecting the child where these needs can only be met at this school.

Professional supporting evidence from a professional, e.g. a doctor, psychologist, social worker, is essential if admission is to be made under the criterion for special medical or social circumstances, and such evidence must set out the particular reasons why the school in question is the only school where these needs can be met and the difficulties which would be caused if the child had to attend another school. Parents must submit this evidence to the school by 15th January 2026, if they wish their application to be considered under this criterion.

2. **Children who have a sibling attending the school on the date of application and on the date of admission.**

Siblings include step, half, foster, adopted brothers and sisters living at the same address.

Children who have a sibling attending the school on the date of application and on the date of admission. Siblings include full, step, half, foster, adopted brothers and sisters and children of parent or carer's partner. In all cases both children should be living in the same family unit at the same address

3. (a) Children with a parent/guardian who worship at St Christopher and St Nicholas Church, Hawes Side.

"Parental worshipping" is normally taken to mean a minimum of 12 attendances at church at public worship for over 12 months in the period leading up to 1st September 2025.

The governors will request confirmation of this from the incumbent priest at church.

(b) Children with a parent/guardian worshipping in a church in full membership of Churches Together in England or the Evangelical Alliance or the North West Gospel Partnership.

"Parental worshipping" is normally taken to mean a minimum of 12 attendances at church at public worship for over 12 months in the period leading up to the 1st September 2025.

The governors will request confirmation of this from the relevant member of the clergy or church officer.

The lists of churches can be found on the relevant websites:

Churches Together in England www.cte.org.uk

Evangelical Alliance www.eauk.org.uk

North West Gospel Partnership www.northwestgospelpartnership.com

Lists are taken as on 1st September 2025. Churches in membership of the equivalent bodies to CTE in Northern Ireland, Scotland and Wales are equally accepted.

In the event that during the period specified for attendance at worship, the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship.

4. Other children

Tie break

Where there are more applicants for the available places within a category, then the distance between the Ordnance Survey address points for the school and the home measured in a straight line will be used as the final determining factor, nearer addresses having priority over more distant ones. This address point is within the body of the property and usually located at its centre. Where two addresses have the same distance, or the cut-off point is for addresses within the same building, then the Local Authority's system of a random draw will determine which address(es) receive the offer(s).

Admissions information:

In 2025, there were ... applications for 60 places. *(This will be completed in summer 2025)*

Late applications for admission

Where there are extenuating circumstances for an application being received after the last date for applications, and it is before the governors have established their list of pupils to be admitted, then it will be considered alongside all the others.

Otherwise, applications which are received after the last date will be considered after all the others, and placed on the waiting list in order according to the criteria.

Waiting list

Where we have more applications than places, the admissions criteria will be used. Children who are not admitted will have their name placed on a waiting list. The names on this waiting list will be in the order resulting from the application of the admissions criteria. Since the date of application cannot be a criterion for the order of names on the waiting list, late applicants for the school will be slotted into the order according to the extent to which they meet the criteria. Thus it is possible for a child who moves into the area later to have a higher priority than one who has been on the waiting list for some time. If a place becomes available within the admission number, the child whose name is at the top of the list will be offered a place. This is not dependent on whether an appeal has been submitted. Looked after children or previously looked after children allocated a place at the school in accordance with a Fair Access Protocol will take precedence over those on a waiting list.

This waiting list will be maintained by the school and will operate until 31st December of the relevant year.

Address of pupil

The address used on the application form must be the current one at the time of application, i.e. the family's main residence. If the address changes subsequently, the parents should notify the school. Where the parents live at different addresses, and there is shared parenting, the address used will normally be the one where the child wakes up for the majority of Monday to Friday mornings. If there is any doubt about this, then the address of the Child Benefit recipient will be used. Parents may be asked to show evidence of the claim that is being made for the address, e.g. identity cards of various sorts showing the child's address as the one claimed. Where there is dispute about the correct address to use, the governors reserve the right to make enquiries of any relevant third parties, e.g. the child's GP, Council Tax Office, Electoral Registration Officer, utilities provider. For children of UK Service personnel and other Crown Servants returning to the area proof of the posting is all that is required.

Temporary addresses will not necessarily be accepted when allocating places under distance.

Non-routine or in-year admissions

Parent(s)/carer(s) who are new to area should apply on Blackpool Council's in-year admission form, which is on the Council website. For applications to change school, parents can obtain a form from the current Blackpool Primary school or use the Council website.

The Council will forward details to the Governing Body of the preferred school or school or academy. If the request is agreed and a place is available in the requested year group, the child will be admitted. The Governing Body confirm whether a place can be offered.

Please note that some Blackpool schools and academies operate a locally agreed first day of term protocol. Where a child already has a school place in the area they may set a start date at the beginning of the next school term.

Fair Access Protocol (FAP)

Blackpool Council has a fair access protocol that operates for in-year admission requests (outside of the annual intake process). This aims to ensure that unplaced and vulnerable children receive an offer of a school place or alternative provision as quickly as possible. Details of the fair access protocol are on the Council's website.

Appeals for routine admissions

Where the Governing Board is unable to offer a place because the school is oversubscribed, parents have the right to appeal to an independent admission appeal panel, set up under the School Standards and Framework Act, 1998, as amended by the Education Act, 2002. **Parents should notify the clerk to the governors at the school by 16th May 2026.** Parents will have the opportunity to submit their case to the panel in writing and also to attend in order to present their case. You will normally receive 14 days' notice of the place and time of the hearing. Most appeals are now heard through a digital format.

Appeals which are received after the deadline will be slotted into the schedule where this is possible. There is no guarantee that this will happen and late appeals may be heard after the stipulated date at a second round of hearings. The schedule is subject to change depending upon the availability of appeal panel members, clerks, venues and the number of appeals for each school (which will vary year on year).

Please note that this right of appeal against the governors' decision does not prevent you from making an appeal in respect of any other school.

Fraudulent applications

Where the Governing Body discovers that a child has been awarded a place as the result of an intentionally misleading application from a parent (for example a false claim to residence at a particular address or of involvement in a place of worship) which effectively denies a place to a child with a stronger claim, then the Governing Body is required to withdraw the offer of the place. The application will be considered afresh and a right of appeal offered if a place is refused.

Deferred admission and part-time provision

If your child is due to start school during the next academic year, it is important that you apply for a place for September. If your child's fifth birthday is between the months of September and December, then, if you wish it, admission may be deferred until January; if it is between January and April, then admission may be deferred until the start of the summer term though it is likely to be in your child's interest to start no later than January. You may also request that your child attend school part-time until he/she reaches his/her fifth birthday.

Admission of children outside of their normal age group

Parents may seek a place for their child outside of their normal age group, for example, if a child has experienced problems such as ill health. In addition, the parents of a summer born child (i.e. a child born between 1 April and 31 August) may choose not to send that child to school until the September following their fifth birthday and may request that they are admitted out of their normal age group – to Reception rather than Year 1.

Children seeking admission to reception in the September after their fifth birthday

Parent(s)/carer(s) will need to submit a normal Common Application Form (CAF) to the Local Authority (in writing or online) for admission into the normal age group at the same time as they submit a written request to the Governing Body for their child to be admitted out of the normal age group.

Please note: This Governing Body will not honour a decision made by another admission authority on admission out of the normal age group. Parent(s)/carer(s), therefore, should consider whether to request admission out of the normal year group at all their preference schools, rather than just their first preference school.

The Governing Body will make a decision on the request before the Primary national offer date if at all possible.

If the request is agreed, the parent(s)/carer(s) must make a new application for the next main admission round the following year, and their current application for the normal age group should be withdrawn before a place is offered. The following year the new application will be considered on the base of the determined admission arrangements only, including the application of oversubscription criteria where applicable. The application will not be given lower priority on the basis that the child is being admitted out of their normal age group.

If their request for admission outside their normal age group is refused, parent(s)/carer(s) must decide whether to accept the offer of a place for the normal age group that they receive from the Local Authority, or to refuse it and make an in-year application to the Governing Body for admission to year one for the September following their child's fifth birthday.

More information is available at: <https://www.gov.uk/government/publications/summer-born-children-school-admission>
Making the decision

Parent(s)/carer(s) seeking admission of their child outside their normal age group must send their written request to the Governing Body. It is the responsibility of the parent(s)/carer(s) to provide the Governing Body with all relevant information relating to this request, including the parent(s)/carer(s) views; information about the child's academic, social and emotional development; where relevant, their medical history and the views of the medical professional; whether the child may naturally have fallen into a lower age group if it were not for being born prematurely; and whether the child has previously been educated out of their normal age group.

The Governing Body is required to take into account the views of the Head Teacher on the application as well as the information from the parent(s)/carer(s). The Governing Body will make their decision on the basis of the circumstances of each individual case, and in the best interests of the child concerned.

The Governing Body will then inform the parent(s)/carer(s) of their decision on the year group the child should be admitted to and will provide the reasons for their decision.

Parent(s)/carer(s) have a statutory right to appeal to an independent admission appeal panel against the refusal of a place at a school for which they have applied. As the purpose of the appeals process is to consider whether a child should be admitted to a particular school, the right of appeal does not apply if they are offered a place at the school but it is not in their preferred year group. However, they may make a complaint about an admission authority's decision not to admit their child outside their normal school age group.

Multiple births

Where there are multiple birth children wanting admission and there is only a single place left within the admission number, then the Governing Body will exercise as much flexibility as possible within the requirements of infant class sizes. In exceptional circumstances we are now able to offer places for multiple birth children, even when this means breaching infant class size limits.
