St Nicholas C of E Primary School – Newsletter

29th September 2023

Dear Families,

And so October is here! It's been conkers galore over the last few days, not only have year 1 been busy collecting for their art work. But, Mrs Satchwell had a bumper find too. These have been used in creative activities during Outdoor Thrive sessions, the children have been creating all sorts of animals with these as well as learning how to play the game - Conkers!

This week, the whole school will be taking part in National Poetry week. Mrs Adams has been busy organising a poetry trail which the children will enjoy with buddies from other year groups. All being well, the library reopens this week too, once again it has had a revamp and sort. Lots of new books from the School library Service and a beautifully colour coded fiction section (thanks to year 6 for their help with labelling)

The library borrowing agreement has been sent to all families via StudyBugs, please do complete for your children.

Enjoy a browse through the newsletter, there are a number of great 'what's on' activities and lots of updates on your children's learning over the first 4 weeks of term.

Mrs Laura Newell
Head of School

General reminders for our families

Playground

When waiting on the playground to collect your children please can you keep your children and their siblings with you. This is particularly necessary on the KS2 playground when siblings are also collecting the older children.

It is really important that they stay with their families and do not ride scooters/bikes or play with the OPAL equipment, including the Mud Café area. Thank you.

Prescription medication

If your child needs prescription medication administering during the school day, please complete the form by following the QR code on page 3 of your child's planner.

Medication needs to be handed in to the Office team please.

Parents consultations - 25th and 26th October

The booking system for the Autumn term consultations will be shared with all families, in years 1-6, later this week.

Please book a session to see your child's class teacher and enjoy an opportunity to discuss their transition into their new year group and see their learning so far.

Reception families have already met with their child's class teacher. Therefore, on these evenings there is an opportunity to look at your child's learning journals, which will be available in the Reception classroom.

Important updates for Parents and Carers

FOR PARENTS/CARERS OF YEAR 6 CHILDREN

Applying for Secondary School in Warwickshire: If you are the parent or carer of a child in Year 6, you'll need to apply for their Year 7 place in a secondary school by the deadline of 31st October.

<https://www.warwickshire.gov.uk/applying-secondary-school-place#:~:text=The%20application%20process%20opens%20on,place%20is%2031%20October%202023>.

Parking at drop off and pick up

Please can we remind parents to park in safe places when dropping off and picking up.

It is not safe to stop/park on the yellow zigzag markings outside our school or Our Lady's.

Residents have requested that cars do not block garages and driveways. Understandably, this is inconvenient for our local community.

Children need to have a named water bottle in school everyday.

This can be sent in prefilled with water from home or the children can fill it when they arrive at school.

We ask that children do not bring in squash to refill their bottles or fizzy drinks.

Harvest Donations

In the lead up to our annual Harvest celebrations, we are collecting items that we can donate to our local food bank. This year, all donations will be collected by Arden Foodbank.

Contributing tinned or dried food to your local harvest collection makes a real difference to your community.

We are grateful for any donations you are able to make. ☺

However, Arden Foodbank are currently in need of the following items:

- tinned meat,
- tinned vegetables
- tinned fruit
- dried produce such as: rice and pasta

We will start the collection on Monday 2nd October. Please send in your donations with your child into school throughout the month of October.

If you would like to find out more, please visit the Arden Foodbank website:

<https://www.trusselltrust.org/get-involved/ways-to-give/donate-food/>

We also have a selection of leaflets outlining how to support the Foodbank in our school Office.

Want to help others who are struggling?

INSET St Nics

WOOHOO... MONDAY 13TH NOVEMBER IS ODD SOCKS DAY!

WHAT IS ODD SOCKS DAY?

Odd Socks Day is part of Anti-Bullying Week! To celebrate that we are all unique, we ask that you wear odd socks to work on Monday 13th November. Andy Day (CBeebies/CBBC) and his band Andy and the Odd Socks are supporting the Anti-Bullying Alliance to help bring Odd Socks Day to life again this year. Have a listen to the brilliant song they have recorded especially for Anti-Bullying Week, Make a Noise.

WHY IS ODD SOCKS DAY IMPORTANT?

The day sends an important message that we should all be allowed to be ourselves free from bullying and helps us celebrate Anti-Bullying Week in a fun and positive way.

WHAT DO WE NEED FROM YOU?

It's so easy 😊 Here's what you do:

1. Make sure your child wears odd socks to school
2. Donate £1 to help the Anti-Bullying Alliance carry on important work
3. If you want to, you can share a photo online using #OddSocksDay #AntiBullyingWeek and tag @abaonline and @AndyOddSock on Twitter. Or @antibullyingalliance and @andyandtheoddssocks on Instagram.

Monday

13TH

November

THANK YOU, THANK YOU, THANK YOU!

Every penny goes to the Anti-Bullying Alliance to help continue all their work. We can't wait to see all the Odd Socks on Monday 13th November ...

Later this term and into the Spring term, all year groups will cover Protective Behaviours within the curriculum

For further information please see the website;

<https://www.alcesterstnicholas.co.uk/protective-behaviours/>

Protective Behaviours – what's that?

Protective Behaviours (PBs) is an internal process where each person applies the ideas to their own unique experience. This paper looks at what Protective Behaviours is and some of its uses. It is intended as an information paper with the hope the reader will see its relevance to their specific interests and will then attend training.

The PBs process is presented here as separate sections. In practice, all interact and support each other - to take one section out leaves the others incomplete.

Unwritten rules of society

We see how certain rules of society have a powerful influence on our choices of behaviour. Whilst these rules can be positive and help guide our interactions, many of them tell us we should, ought, or must behave in a particular way. For instance, children should do as adults tell them; professionals should always have the answer; men should not show their feelings and women should behave in a ladylike manner. These rules are not written down, are often contradictory and may not fit with our own experience. During training we look at their function, how they develop, their effects and why we may choose to follow them or not.

Feelings, Thoughts and Behaviours

During this session we look at the interaction between our feelings, thoughts and behaviour. We see that feelings are feelings, neither right nor wrong, good nor bad, positive nor negative. Some people seem to mask one feeling with another or use behaviour as a way of avoiding or covering feelings. We look at how behaviour is a choice with an effect. These effects may involve others as well as ourselves. Sometimes we do not know what our choices are or they may be limited by factors we cannot change. Once we are in touch with our feelings it helps free us to use our thinking. Our thinking can influence both our feelings and behaviour.

Theme 1 'We all have the right to feel safe all the time'

We explore this theme in detail, carefully looking at the connection between rights and responsibilities. We also take the concepts of blame and punishment out of commonly held ideas associated with responsibilities. Instead we focus on the 'ability to respond' contained within the meaning of the word. The difference between having a responsibility **for** ourselves and **to** others is also examined. Next we discover for ourselves the difference between feeling safe, fun to feel scared (adventurous), risking on purpose (which may not feel like fun but we want the goal at the end) and feeling unsafe. These differences are recognised by what we call our 'Early Warning Signs' (EWS), the specific bodily responses which tell us when we do not feel safe. These universal body signs mean Protective Behaviours is accessible to all people, irrespective of age, gender, sexuality, nationality, ability or belief system.

Theme 2 'We can talk with someone about anything, even if feels awful or small'

This theme is also explored in detail. In particular we focus on the ideas and effects of 'talking', and what might happen if we do not believe this theme. We encourage everyone to develop their personal networks of support; those people they could turn to if in need. Desired qualities of network people are identified and we examine how we would know if someone has these qualities. Types of networks and ways of letting people know we need to talk with them are also explored.

Dream Big Shine Bright

Mabel – what an artist!

Mabel painted a fantastic dragon and was awarded first place at a country show (the category contained all adults, she was the only child!) Congratulations Mabel, thank you for showing us your creative talents.

Please do let us know if your child has an entry for Dream Big, Shine Bright on the next newsletter

Dream Big Shine Bright

Scott – the lifesaver!

Scott has been working tirelessly towards his Gold Lifesaving badge for a number of years.

He has now achieved this and is well on his way to becoming a Lifeguard. What a fantastic achievement Scott, well done!

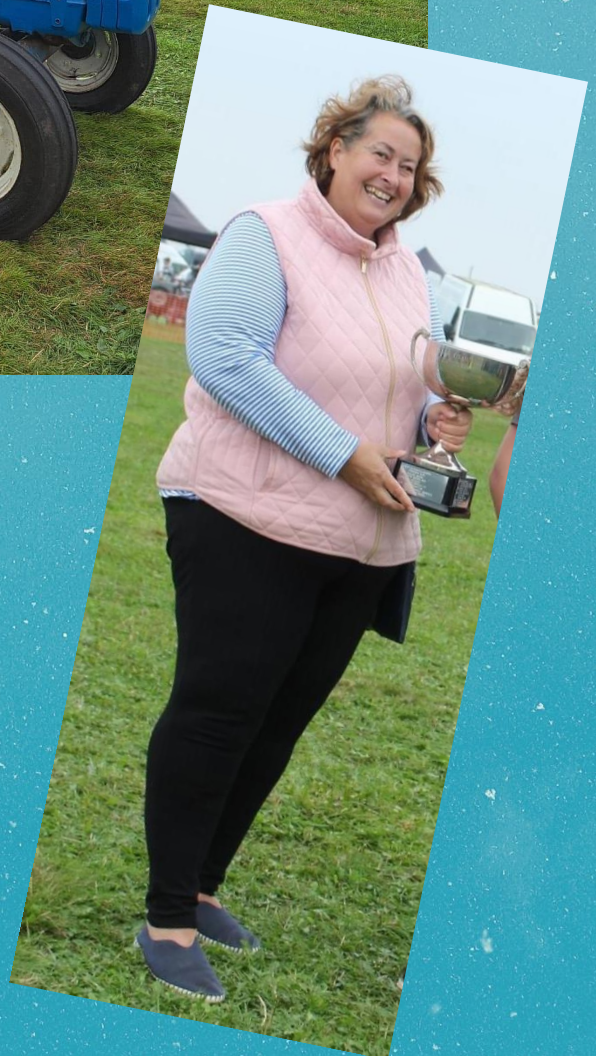

Please do let us know if your child has an entry for Dream Big, Shine Bright on the next newsletter

Dream Big Shine Bright

Look at Mrs Badger's stunning 1974 Ford 5000 tractor! She won best in show, clearly very well deserved. I bet that took lots of polishing Mrs Badger!

Dream Big Shine Bright

A huge THANK YOU and WELL DONE to everyone who entered the Summer scrapbook competition. There were 27 entries which have been very enjoyable to read. It was an extremely difficult decision, but we have decided upon 3 winners (see below): Felix in Year 2, Samuel in Year 4 and Blake in Year 6.

Everyone who entered will get a small prize (which includes a golden ticket) and prizes will be awarded in assemblies. All scrapbooks will be returned too.

FLYFTA LJ

We are excited to introduce a new program at St Nicholas, called Lfyta.

Lyfta is an immersive learning platform where children can experience the lives of real people through interactive 360° spaces and captivating short films.

It is allowing the students to 'go' to places they never though possible, to 'meet' people they would have never even thought to and experience the rich diversity our planet has to offer.

We encourage you to ask your children about it and allow the conversations to grow!

As part of our Lyfta program we will also be holding home challenge competitions!

AUTUMN CHALLENGE

Family Heritage

Get talking to your family and find out more than you ever knew before!

WINNERS ANNOUNCED: 9TH NOVEMBER

Being busy in year 1

Year 1 have settled in really well so far this term and have been so busy with their learning. The children have had time to explore the different areas of the classroom to develop their understanding of the topics covered in our lessons. In Science, we have looked for signs of Autumn and the children completed a scavenger hunt. We have started our topic All about Me and labelled the basic parts of a human body. In History the children have been excited to learn about The Gunpowder Plot and have completed some beautiful pieces of artwork. Keep up the good work Year 1

Being busy in year 1

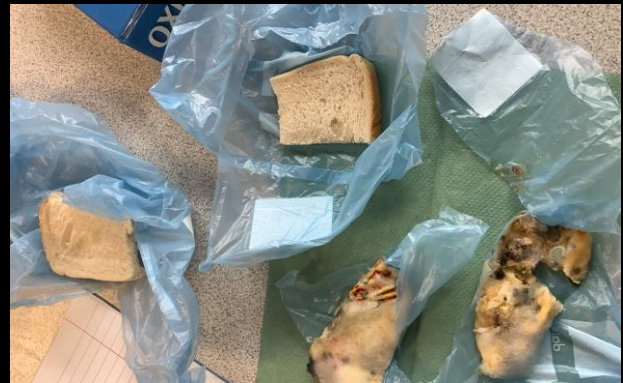

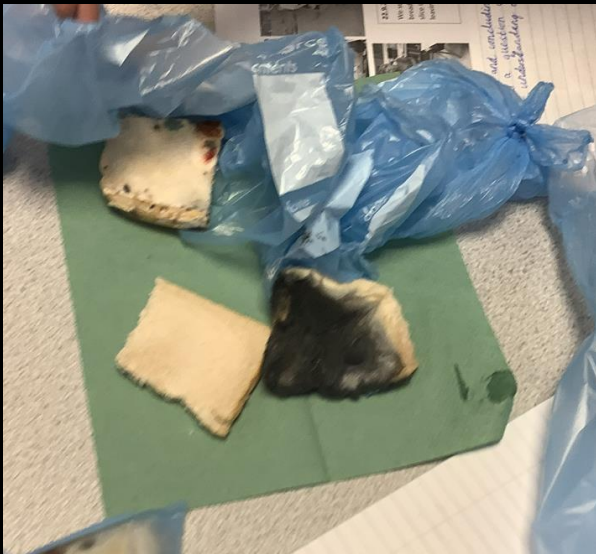

In Art, year 2, explored making patterns with natural materials they collected.

WARNING!
May turn your stomach!

Mould matters in Year 6 Science

**Year 6 cultured a
lovely range of
mould which
grew in different
circumstances
during our
investigations
into micro-
organisms**

Bell boating – year 6

Bell boating experience

Andy taught us how to row by holding the oar. We had to 'dig deep' to get the best paddle.

I couldn't believe it when a train went past, it beeped it's horn and we all waved!

Noah S

It was great to observe nature close up! We did end up in quite a few bushes because of Mr Benson's steering.

Jerry

It was really fun and entertaining, we tried really hard and persevered to get up the weir.

Juliette

We went through gates to the lock, it was fascinating watching the water level change. Steering was hard, it made my arms ache.

Ellie

Year 6 enjoyed playing
UK cities battleships to
learn where the key
cities of the UK are

They certainly look like they are
taking it very seriously, what
great examples of learning
behaviours!

Year 5

THE NASTY GAME PLACE VALUE

The aim is to consolidate the children's understanding of place value, using large seven-digit numbers. They loved trying to create the largest numbers and win points.

PIC•COLLAGE

Year 4

Harvest Experience at St Nicholas Church

26.09.23

Dear God,

Each season brings something new for
us to see and enjoy,

With sunny days and rainy days,
our crops grow larger,

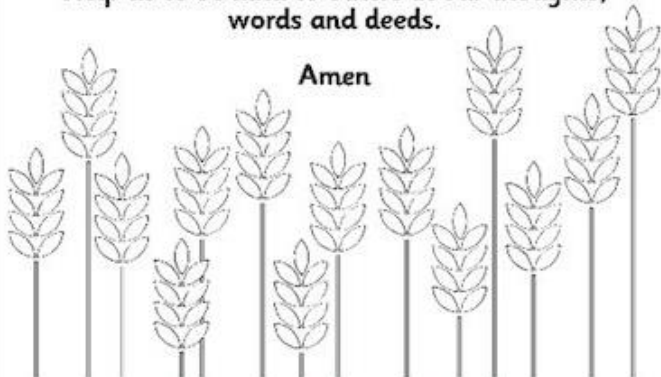

Fruit and vegetables ripen, ready for us to harvest.

Thank you for all of the food we have to eat,

Let us remember people who may
not have enough.

Help us to be kind to others in our thoughts,
words and deeds.

Amen

Year 3 have enjoyed experimenting using natural objects to produce colour.

Community involvement... can you create a poppy for our Remembrance display?

Mrs Howl is organising a display for the Foyer which will consist of knitted poppies from lots of members of the school community. The idea being that we can use them this year and then keep adding to them every year. Poppies can be knitted, crocheted, felted or any other way to showcase your creative talents. Ideally, they need to be no bigger than the palm of your hand. If using thread, please leave some thread on the back to enable them to be tied together.

You are welcome to create them in red with a black middle to represent those who have served and continue to serve in the military. Or purple, to represent the animals that have fallen in service.

Below is a knitting pattern for those who would like to knit one.

YOU WILL NEED

- Any red DK yarn
- A pair of 4mm (US 6) needles
- A small black button

TENSION

Not important for this project

ABBREVIATIONS

See www.gathered.how

POPPY

Cast on 60 sts using 4mm needles and red DK yarn.

Rows 1-8 (K2, P2) to end.

Row 9 (K2tog) to end. [30 sts]

Row 10 (S2kpo) to end. [10 sts]

Break off yarn, leaving a long tail. Thread tail through remaining 10 sts and pull tight, then fasten off yarn.

Join the edges of the poppy together and sew the black button in the centre of the poppy.
