

PE and Sport Premium expenditure: St Nicholas C of E Primary Report to Parents: 2021/22 (September '21 to July '22)

Our Vision for PE and Sport

At St Nicholas C of E Primary we know that P.E. and Sport plays an important role in the development of our children. P.E. and Sport lead to improved fitness, health and well-being, concentration, attitude and academic achievement.

Through P.E and Sport, children can also develop St. Nicholas's sport's values of: determination, teamwork, respect, self- belief, honesty and passion

We aim to encourage a lifetime love of sport and keeping fit and encourage children to be the best that they can be.

How do we encourage a love of P.E and Sport at St Nicholas?

This academic year the competitions have been virtual due to the pandemic. We enter into many different sports competitions and tournaments. We aim to enter into a wide range of sports to encourage different children and abilities to be active and keep fit. We take part in: multi skills, boccia, archery, rowing, indoor and outdoor athletics competitions, rounders, cricket, netball, football, and rugby if restrictions allow us to.

We have close links with the local tennis, rugby and cricket clubs whose professional coaches come into school to develop these individual skills.

To encourage a love of sport for enjoyment and competition, we strive to provide opportunities throughout the year for children to compete with each other and push themselves with events such as; running Marathon Kids, cricket workshops, sports day and sports week where we concentrate on inter-house competitions.

We also organise a wealth of after school clubs such as; netball, football, basketball, cricket, rounders, dance, gymnastics, athletics, swimming, girls football, tennis and rugby.

What is the Sports Premium?

The Government is providing funding of £150 million per annum for 2021/22. This funding is being jointly provided by the Department for Education, Health and Culture, Media and Sports, and will be allocated to primary school head teachers to spend on improving the quality of sport and P.E. for all their children. The sports funding can only be spent on sport and P.E. provision in schools. Funding will be calculated by reference to the number of primary-aged pupils (between the ages of 5 and 11), as recorded in the annual schools census.

How is the Sports Premium used at St Nicholas C of E Primary School?

The Sports Premium will be spent in such a way that it has a direct and sustained improvement on sports provision in the school, not only for the current pupils of the school but also for future pupils. Listed in the grid below are the projects that are being funded by the Sports Premium for this academic year.

Item/project	Objective	Intended Outcome
KS2 playground markings	To give the children opportunities to become more active at play and lunch times.	For children to be confident in trying new activities to encourage more pupils to take up sport and physical activities.
Sports Enrichment days	To give the children and adults opportunities to try new and different activities.	For children to be confident in trying new activities to encourage more pupils to take up sport and physical activities.
KS1 Playground play equipment	To give the children more equipment to play on during play and lunch times.	Children to have a variety of play equipment for lunch and play times.
Bell Boating	To introduce children to a new type of sport.	For children to be confident in trying new activities to encourage more pupils to take up sport and physical activities
Lunchtime sports	To give the children opportunities to take part in lunchtime sports and activities.	Children supported in taking part in sport during lunchtimes.
Repairs to play equipment	To ensure the equipment is checked and safe to use for all of the children.	The PE curriculum is being delivered safely.
Goals	To encourage the children to take part in team games.	Children can play as part of a team and play fairly.
Open water Swimming	To perform safe self-rescue in different water-based situations.	The children have an understanding of safety in and around different water- based situations.
Top up	To swim confidently over a distance of 25m.	The children have an opportunity to develop their swimming.

What the children say:

- In Sports Enrichment time-“We did Generation Pound. That was a good one. It was really fun. The man was like magic.”
- “I loved the breakdancing.” During Sports Enrichment
- “I like the school as it is. We are already so lucky!” When asked what more we could do to enhance sport provision.
- “I would like an area to do gymnastics.”
- “Swimming lessons are really fun. I enjoy them. We have challenges and races and use the equipment.”
- “I would like more time on the outdoor gym.”
