Summer guidance	As we move into the warmer summer months, we want to make sure all our pupils can enjoy outdoor activities safely and comfortably. Please ensure your child comes to school with the following each day: • Sun cream: Please apply sun cream to your child before school. If you'd like your child to

	reapply sun cream during the day, please send them in with a clearly labelled bottle (with their name and class). • Sun hat: A wide-brimmed sun hat or cap to protect your child's face and neck. Labelled with their name. • Sunglasses: If possible, sunglasses with UV protection to shield their eyes. Labelled with their name
Eye test	 Although serious vision problems during childhood are rare, it is recommended that children have their eye's tested on a regular basis. Free NHS sight tests are available at all opticians for children under 16 and for young people under 19 in full-time education. The sooner any eye problem is found, the sooner you and your child will be able to get any treatment and support needed. Children may not realise they have a vision problem so, without routine tests, there's a risk a problem may not be spotted. This may affect their development and education. If you have any concerns about your child's vision see a GP or go to an opticians. More information can be found on the NHS website. https://www.nhs.uk/tests-and-treatments/eye-tests-in-children/ cation.

LEAVE OF ABSENCE DURING TERM TIME

UPDATED INFORMATION FOR PARENTS

The Supreme Court has clarified the law on unauthorised leave, including holidays, during term time (Platt v Isle of Wright 2017). The Supreme Court has made clear that attending school 'regularly' means that the children must attend school on every day that they are required to do so. As such, the parents of any child who is absent from school without authorisation for any length of time are likely to be considered as committing an offence under s444 of the Education Act 1996.

The law states a leave of absence may only be granted by a school if an application is made in advance and if it considers there are exceptional circumstances relating to the application.

Schools must judge each application individually considering the specific facts and circumstances and relevant background context behind each request.

A leave of absence is granted entirely at the school's discretion. **Generally, a need or desire for a holiday or other absence for the purpose of leisure and recreation would not constitute an exceptional circumstance.**

Where a leave of absence is granted, the school will determine the number of days a pupil can be absent from school.

When making an application for Leave of Absence parents are advised to give sufficient information and time to allow the Head teacher the opportunity to consider all the exceptional circumstances and to notify parents of their decision. The school may also request further information on the application and supporting documentation where appropriate.

It is advised that if the resident parent has not received notification or a response regarding the leave of absence application, it is the parents' responsibility to ascertain if the leave is authorised prior to the start of the leave.

The school can only consider Leave of Absence requests which are made by the 'resident' parent ie the parent with whom the child normally resides.

Where applications for leave of absence are made in advance and refused, the child is expected to be in school on the dates set out in the application. If the child is absent during that period, it will be recorded as an unauthorised absence. Where a leave of absence is requested, but additional days taken either prior to or after the request may be considered as part of the leave of absence.

Leave of Absences which are not made in advance cannot be authorised in line with legislation. This will result in the absence being recorded as 'unauthorised'.

All matters of unauthorised absence relating to a Leave of Absence will be referred to the Warwickshire Attendance Service, part of Warwickshire County Council. Penalty Notices are issued in accordance with Warwickshire County Council's Code of Conduct for Penalty Notices and in the first instance, as an alternative to prosecution proceedings.

The law relating to Penalty Notices changed with effect from 19 August 2024. Therefore, Penalty Notices issued for Leave of Absence taken from September 2024 will be issued in accordance with the updated legislation.

- Payment plans will not be offered and/or payments received outside of the 28 day period will not be accepted. Where a penalty notice expires unpaid the matter will be referred to Warwickshire County Council's Legal Services to consider criminal prosecution.
