# Our vision

- ▶ We are a fully inclusive, mainstream school.
- ▶ We strive to ensure that all pupils achieve their potential personally, socially, emotionally and academically in all areas of the curriculum (regardless of their gender, ethnicity, social background, religion, sexual identity, physical ability or educationally needs).

Contents

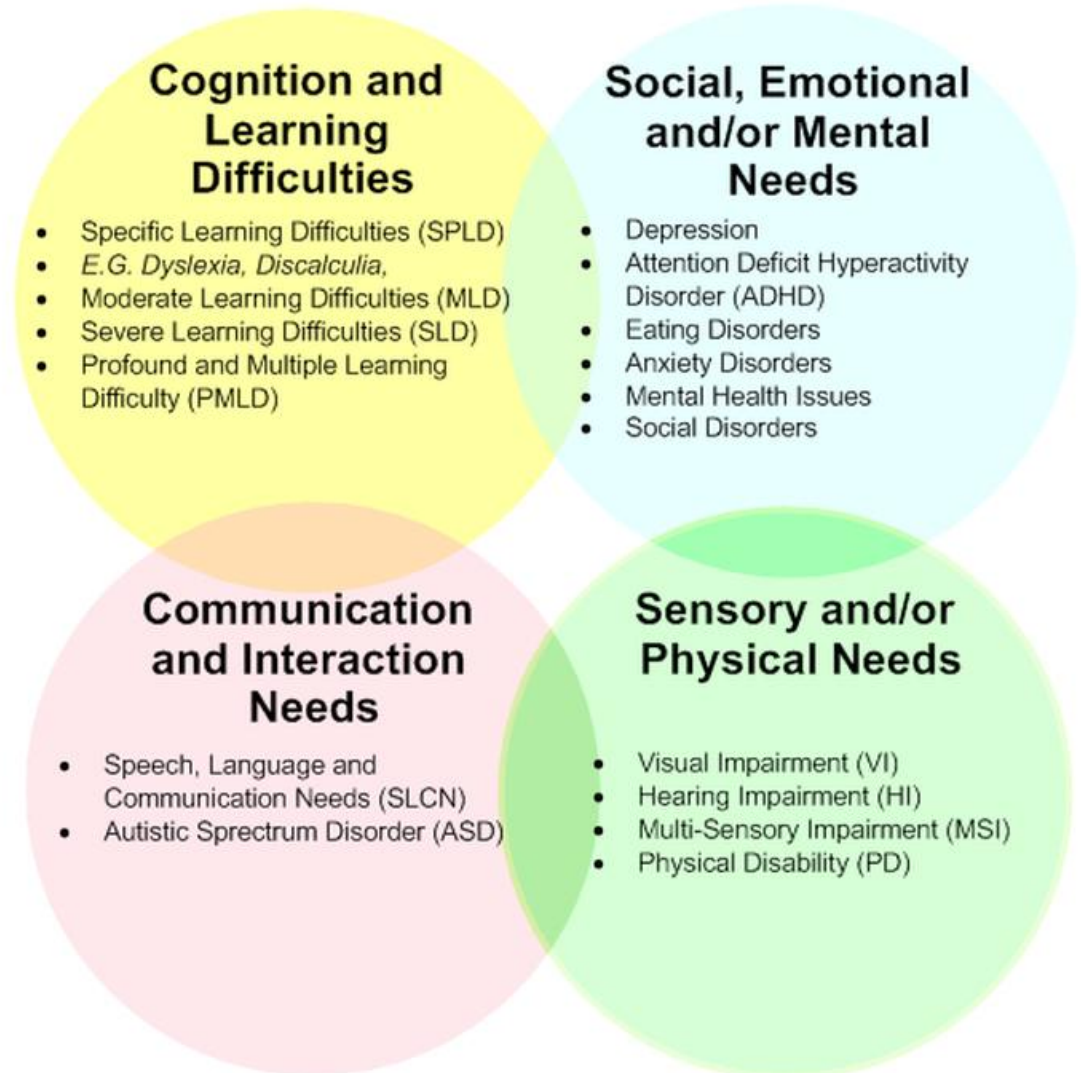

# The local offer

- ▶ Local Authorities and schools are required to publish and keep under review information about services they expect to be available for the children and young people with special educational needs and disabilities (SEND). This is the 'Local Offer' and is available through
- ▶ [SEND Local Offer - Warwickshire County Council](#)

[Contents](#)

# What are the different areas of SEND?

- ▶ The needs of a child with SEND will fall under one or more of these four areas, as outlined in the SEND Code of Practice:
- ▶ Cognition and learning
- ▶ Social, emotional and or mental health (SEMH)
- ▶ Communication and interaction
- ▶ Sensory and or Physical needs

[Contents](#)

# Who are our SEND team?

- ▶ Mrs Laura Dargie- SENDco
- ▶ Mrs Amy Mitro- Headteacher

[Contents](#)

# Who should I talk to if I need to know anything about my child's SEND?

- ▶ If you have concerns about your child's SEND, please speak to the class teacher first. If further support is needed, contact the school office to arrange an appointment with the SENDCo, Mrs Dargie.
- ▶ Parents are invited to termly meetings as part of the Assess-Plan-Do-Review process. These meetings, similar to IEP reviews, are usually held with the class teacher and, where appropriate, the SENDCo.

# If I am concerned about my child what should I do?

- ▶ First speak to your child's class teacher.
- ▶ If further support is needed, contact the school office to arrange a meeting with the SENDCo
- ▶ Some children are identified as having SEND before starting school. We liaise with previous settings to gather information on needs, effective strategies, and agency involvement. The SENDCo team is available at transition events for parents to share concerns.
- ▶ For complex needs, a multi-agency meeting may be arranged to ensure provision is in place before the child starts. Records from previous settings should be shared early to enable effective support.

# If school are concerned about my child, what will they do?

- ▶ As children begin school, assessments are carried out.
- ▶ At termly pupil progress meetings with the Head Teacher/SENDCo, children who are not making good progress will be highlighted by staff, and strategies and intervention can then be discussed.
- ▶ Insight is used to track progress against intervention and provision.

Contents

- ▶ As children progress through school, their development is monitored and discussed at termly pupil progress meetings with the SENDCo.
- ▶ If classroom interventions have not been effective, the SENDCo may observe the child and suggest further strategies.
- ▶ For pupils transferring to St Nic's, the SENDCo liaises with previous schools to ensure continuity of support.
- ▶ Where progress remains limited despite interventions, advice from external agencies may be sought and additional assessments carried out.

# How do I know if my child is making progress?

- ▶ Progress is tracked on Insight and discussed with the Head Teacher and SENDCo at termly pupil progress meetings.
- ▶ Interventions are monitored by the SENDCo, and assessment is carried out prior to, and following, the intervention in order to measure progress.
- ▶ The SENDCo tracks the progress of children with SEND more closely and uses information about this progress to map provision across the school.

# Additional agencies and services:

Schools arrange access to a range of services on a contractual/referral basis. These include:

- ▶ Educational Psychologist- Educational psychology for all.
- ▶ Social, Emotional, Mental Health and Learning service- SEND supported
- ▶ Snowford Grange Counselling.
- ▶ Speech and Language- NHS and Pepper Therapy
- ▶ Occupational therapy
- ▶ Physiotherapy
- ▶ Health and social services

# How will teaching be adapted for my child?

- ▶ Through Adaptive Teaching, we ensure that the needs of children with SEND are met.
- ▶ We work through waved interventions to identify needs accurately and develop effective support- Universal (accessed by all), Targeted (pupil specific), Specific (outside agency lead).
- ▶ Any interventions your child receives will be evaluated for impact.
- ▶ A whole-school provision map ensures that resources and strategies are targeted well to meet pupils' needs to maximise progress.

# What resources are available?

- ▶ It is the responsibility of the class teacher to set work and develop resources that are well matched to the needs of the children in their class.
- ▶ Wherever possible, children will be supported in the classroom, using a range of interventions.
- ▶ When a child is supported by an outside agency, resources will be provided following their recommendations about how best to meet specific needs.

Morning				
Register	English	Break time	Maths	Lunch
Afternoon				
Guided reading	Art	Circle time	Assembly	Home time

I	You	Help	Yes	No
Play	Sleep	More	Happy	Sad
Food	Drink	Toilet	Excited	Scared

# What is the pastoral, medical and social support available in the school to ensure my child's well-being?

- ▶ Our school is values driven and underpinned by our Christian faith.
- ▶ Personal, Social and Health Education (PSHE) is integral to our curriculum and is also taught discretely once a week.
- ▶ The class teacher has overall responsibility for the pastoral, medical and social care of every child in their class and so they should be your first port of call. If further support is required, the class teacher liaises with the SENDCo for further advice and support. This may involve working alongside outside agencies such as Health and Social Services and the Behaviour Support Service.

- ▶ The class teacher has overall responsibility for the pastoral, medical and social care of every child in their class and so they should be your first port of call. If further support is required, the class teacher liaises with the SENDCo for further advice and support. This may involve working alongside outside agencies such as Health and Social Services and the Behaviour Support Service.
- ▶ We have a caring, understanding ethos and are an inclusive school. We welcome and celebrate diversity and believe that high self-esteem is crucial to children's well-being. As a nurturing school underpinned by our Christian values, all our vulnerable pupils are known to staff so that we can provide effective support.

# What is the pastoral, medical and social support available in the school to ensure my child's well-being?

- ▶ As part of our well-being curriculum, we will be introducing My Happy Mind. This will be delivered through lessons on brain health, gratitude, resilience, and positive relationships. This program helps children build confidence, manage emotions, and develop lifelong habits for mental health.
- ▶ Our Behaviour and Relationships Policy, which includes guidance on expectations, rewards and sanctions, is fully understood and implemented by all staff.
- ▶ We also monitor attendance regularly and take the necessary actions to prevent prolonged, unauthorised absence.
- ▶ We have a medical policy in place and relevant staff are trained to support medical needs.

# What support is there for me as a parent?

- ▶ Staff value observations from the parents of the children in their care. Class teachers are available to discuss any concerns informally at the end of each school day or via appointment made via the school office. Parents/carers are offered the opportunity to discuss their child's progress with class teachers twice a year at parent consultations where the SENDCo is also available for appointments.
- ▶ In the Summer term, a written report is also sent home.
- ▶ Parents of pupils with SEND will be invited to offer their thoughts and views on their child's progress once a term.

**PINS Project**

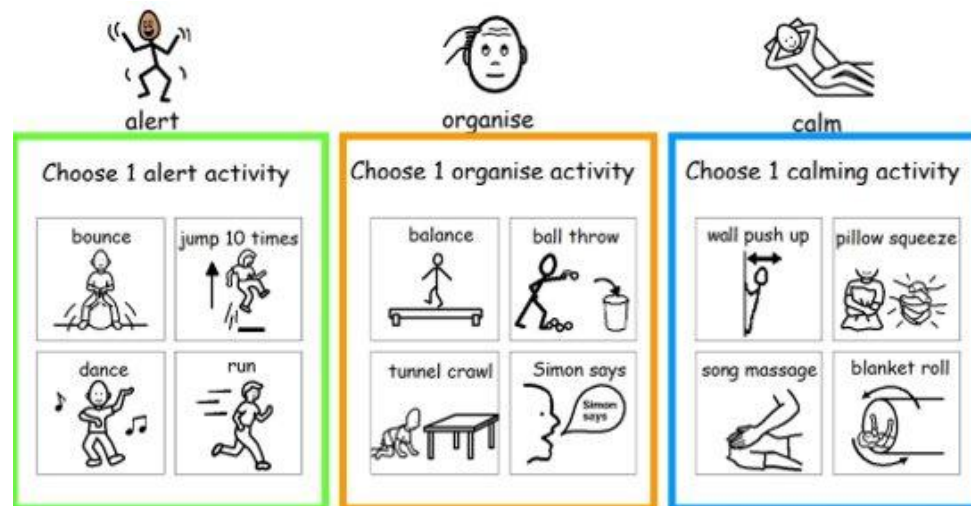

Contents

# How will you support my child when they move to another class?

- ▶ Pupils visit their new teacher during transition day, which is a whole school event.
- ▶ For those pupils who need it, enhanced provision happens where the child visits their new classroom and teacher regularly in the second part of the summer term.
- ▶ Transition booklets are produced for children to have over the summer holiday for use at home.
- ▶ Staff meet to share what works with your child and to support class handover.

# What Training is available to staff supporting SEND?

- ▶ All staff have safeguarding training.
- ▶ Our school SENDCo is qualified and is experienced in this field.
- ▶ All our teachers hold Qualified Teacher status, and they receive training across each academic year. We keep a record of ongoing training.
- ▶ Some of our staff are trained in specific interventions; Thrive, SaLT, Lego therapy, catch up readers, sensory circuits.

**SEND Supported**  
Embracing difference

# How do you find out about my child's opinion?

- ▶ Listening to what your child has to say is key to their own development and progress, and to our understanding of how we can best offer support.
- ▶ We also collect pupil voice regularly to inform next steps, and children can express their views as part of reviews of EHCPs and IEPs.

*Aim high, be courageous, show love*  
**St NICHOLAS**  
C of E Primary School, Kenilworth

# What extra curricular activities will be available?

- ▶ Our Equal Opportunities policy promotes involvement of all our learners in all aspects of the curriculum including activities outside the classroom. Where there are concerns for safety and access, a personalised risk assessment is carried out to consider if reasonable adjustments can be met to meet any additional needs. If appropriate, parents/carers will be consulted and involved in planning.

# How are the school's resources allocated and matched to the children's special educational needs?

- ▶ The SENDCo regularly reviews resources for pupils with SEND and a budget is allocated to allow purchasing of new resources, as necessary. The SENDCo runs training for staff in how to use these resources and advises them on which pupils they would benefit most. Provision mapping is reviewed, and needs discussed, with parents at SEND review meetings, to ensure that children receive the support they need.
- ▶ We also look at the use of Pupil Premium money where a child has both SEND and is in receipt of Pupil Premium.

# How are complaints dealt with?

- ▶ Complaints are dealt with in line with the school Complaints Policy which is available on the school website or from the School Office.

*Aim high, be courageous, show love*
