

OZZIE'S NEWS – 2.10.20

LOVE JESUS, LOVE LEARNING, LOVE EACH OTHER.

SEESAW

All parents should, by the end of today, have received, by email, a letter that explains about Seesaw, the instructions for how to use it and their child's unique individual code. Classteachers have set homework on Seesaw. Homework will be set every Friday and should be completed and returned on Seesaw by the following Wednesday. In the event of a bubble/nest having to isolate this will be how work is sent for your child to complete at home. If you experience any issues please contact the school office.

TRIM TRAIL

We officially opened our trim trail this week as we are intending to start allowing 1 class per day to access it, weather permitting. We are also allowing a class to use the big field whenever possible. This has to be done on a rota basis so that we can sanitise touch points between uses. All classes will be included on the rota. Thanks to our PTA and everyone who has supported them in raising the money to pay for this wonderful resource for our children.

CARS ON COUNCIL AVENUE

Another plea that parents/grandparents do not bring cars onto Council

Avenue- it is dangerous for all the pedestrians and we have had cars parking in the disabled bays for the health centre patients which is unacceptable. Please park away from school and walk the short distance- even if it is raining. Thank you to the vast majority of parents and grandparents who are not bringing cars onto Council Avenue, your co-operation and public spirit is very much appreciated.

CARE, LOVE, LEARN AT ST

OSWALD'S

Our holiday club will be running as usual over the October half-term.

READING BOOKS

Please remember to return your child's reading book/diary on Monday every week.

SOCIAL DISTANCING

There have been some adults grouping together around the entrances to school – can we ask that you leave immediately once you have dropped off or picked up your child please. Can we also remind parents that only 1 parent/carer should be dropping off/picking up and that adults should be socially distanced at all times.

The Ozzie's Way

Champions

These children have all contributed towards making our school HAPPY this week

Owlets – Harrison C

Eaglets – Archie N
