Miss Connor has asked us what we thought of the book so far, here are some of our responses.

'I give it 5 out of 5 stars. The book is about a boy called Frankie who moved to a town called Freaky and a weird storm with flashes of green lightening started to change things. When they were doing swimming lessons at school Frankie sees a flash of green lightening and then a boy called Eric Flipperson turned into a shark. Then Frankie saw more green lightening in class and a girl called Mollie turned invisible. My favourite part is when the storm happened.' - Anisa

'I give it 4 out of 5 stars. The book is about a green lightening and things going wrong. A boy gets wet and turns into a shark and a girl goes invisible when she twitches her nose. My favourite part is the food fight to find the invisible girl.' - Bella

'I give it 5 out of 5 stars. The book is about a boy called Frankie A. Brown who arrives in a town called Freaky and as soon as he goes to his new school strange things start to happen like his friend turns into a shark and a girl turns invisible. My favourite part is where they have a food fight!' -
