## Monster Phonics

This week, Robins have been exploring lots of Monster Phonics books. The children love reading these books as part of their phonics lessons as the colours help them to read fluently even if they can't always recognise every sound.

The children have put together some quotes about some of the books they have explored and recommend all children in Eaglets, Sparrows, Robins and Wagtails go online to access the e-books as they really help all children to become more fluent readers. Please speak to your teacher if you require the log in details again.
