Robins have enjoyed reading their first text, *Lost and Found* by Oliver Jeffers. We have explored the Penguin's feelings, written instructions for the boy on how to be a good friend and finished the topic by completing a retell of the story.

The children have written book reviews and highly recommend this book to other children their age!

“My favourite part is when the boy and the penguin hug at the end because it was a happy ending.”

Dottie

“My favourite part is when the penguin and the boy met because the boy helped the penguin.”

Freddie

“My favourite part was when the penguin followed the boy because it was funny.” Rose
