

St Oswald's Catholic Primary School

Our Jubilee Year Journey

We are Pilgrims of Hope!

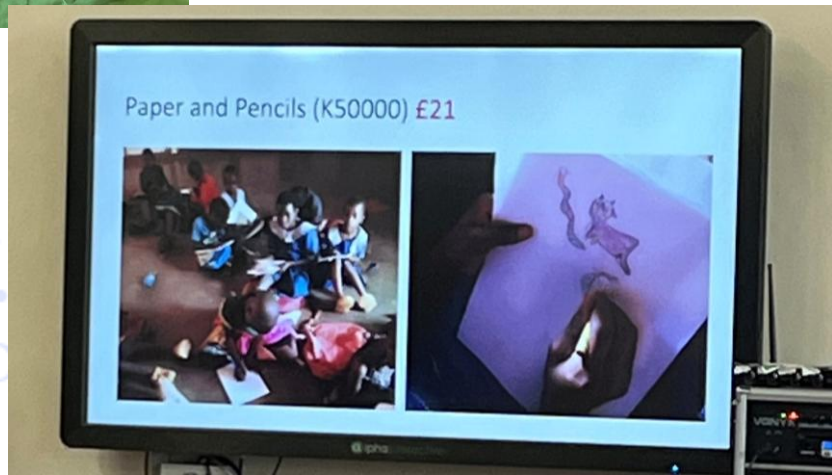

We proudly display our banner on the railings at the front of school.

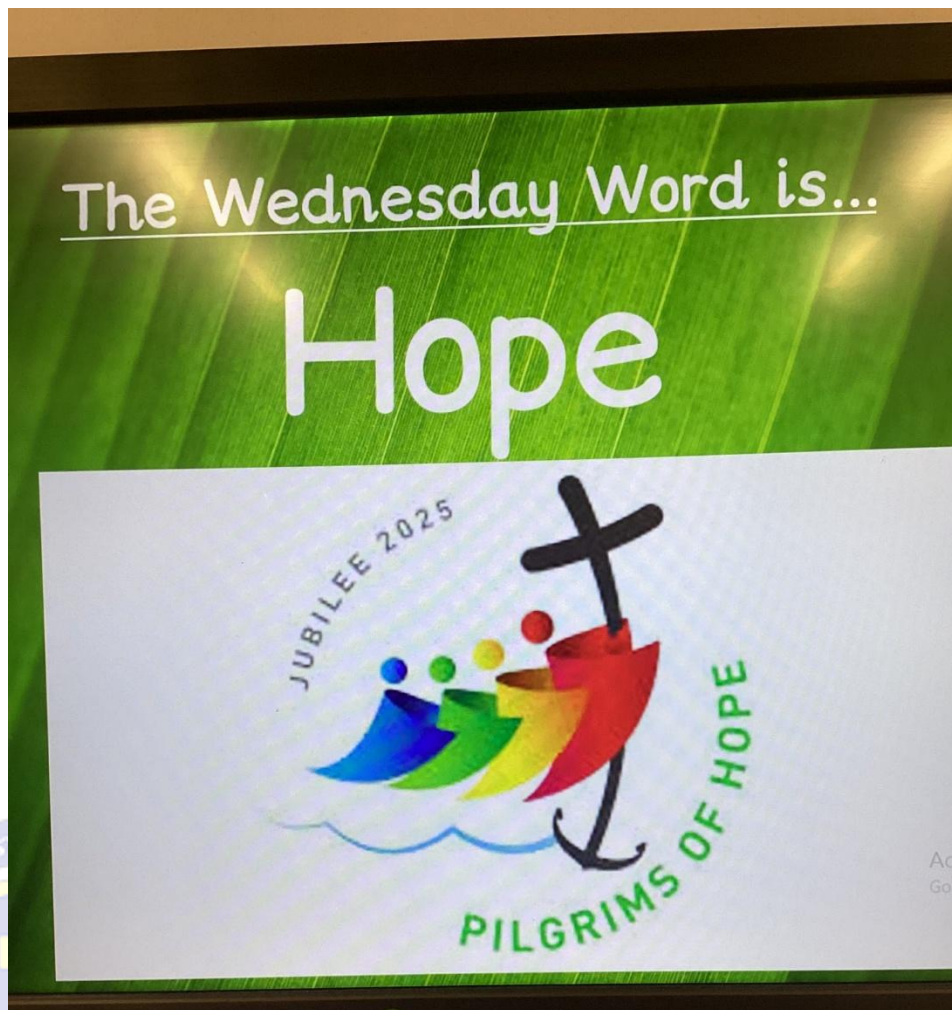

We have a display in the hall and in our main entrance – with prayer stations for the children and staff to visit.

As a school we have raised £1300 for Mkaka Village in Malawi. We have made a new friend in Deacon Justin Malewazi. The children devise their own competitions with money raised going to Mkaka Village. We also have a Whatsapp group so we can communicate with the children in Mkaka.

Love Learning Love Each Other

CATHOLIC PRIMARY SCHOOL

We launched the Jubilee Year with a whole school Celebration of the Word and have also made links within our Wednesday Word. Each class has a jubilee jar on their prayer tables and add their hopes throughout the year.

We have had Angela Corcoran in from CAFOD to launch our Big Lent Walk and Jim and Doreen Ellison, also from CAFOD, to launch our Pledge Day. We are also on the jubilee pledge map.

Big Lent Walk

We raised £140 for

CAFOD

ST. O
CATHOLIC PRIMARY SCHOOL

Freebie Friday for our whole school community to come and take food, drink, toiletries etc for free.

Love Jesus

Love Learning

Love Each Other

We bought each class an Advent calendar from CAFOD World Gifts.

Year 2 welcomed Rev. Sue Thomas from Ashton Food Pantry to talk to us about our local community and the support we can give by bringing in food and toiletries.

Love Each Other

Children love to keep our school grounds tidy each playtime.

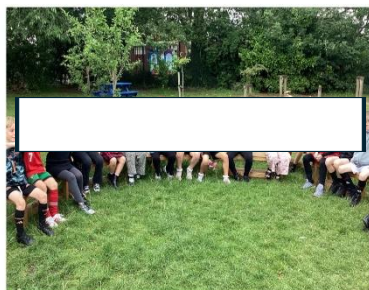

As a school we went to different locations around our local area to litter pick.

On our Pledge Day, each child thought of a pledge to carry them through this Jubilee year.

As part of the respond aspect to our Celebration of the word every child and adult went into our prayer garden

and tied a jubilee coloured ribbon to a branch.

Two children in year 2
Created their own
Pilgrims of Hope
posters.

A small group of children in year 2 wrote CAFOD and Jubilee booklets.

Every child in school have given their voice to CAFOD's pledge to reduce world debt. Each child decorate a hand with the word hope on the palm. Each hand will be put on our jubilee display and photographed and sent to CAFOD to share with our Government.
