

## Wigan Music Service Whole Class Instrumental Lessons at Home

### GUITAR

#### Listen Up!

In these lessons that we have been doing at home we have, looked at many different key aspects of music, learnt 5 notes on our guitars and how to write our music on the **Stave**.

In this video we discuss everything we have been learning about in our lessons at home. Ask your parents to show you the video then write down all 5 key aspects of music we have looked at so far.

#### Make Some Music

Let's play some of the music we've been learning in our lessons at home!

First, ask your parents to show you the video to remember notes GABCD on your guitar and how to read these on the music. If you do not have your guitar, work out what **pitch** the notes are on the written music below (GABCD) and say them out loud as you clap the **rhythm**.

Play this from my 'Dog is a Good Dog'

Play this from Frere Jacques

Play this from I've got a Feeling

Parents this the link to the video:

### GUITAR

#### Investigate

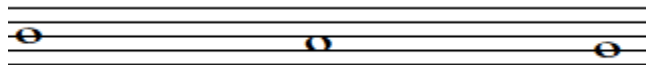

Today's lesson is all about remembering what we have been learning about in our lessons at home. See if you can answer these questions, watch the videos again in the 'Listen up' and the 'Let's play some music' sections to find the answers.

1) What is 'Pulse' in music?

2) What is a 'Rhythm'?

3)  How many beats does this note last for?

4) What word do these notes spell?

5) What note is being played in this picture?

#### More Fun

Next time we are going to prepare a concert for our families at home. In the concert we will demonstrate everything we have been learning in our 'lessons at home'.

I would like you to design a poster for your concert. On your poster you should include. 

1. Who is playing (that's you).
2. What day and time the concert will be (maybe do it at the weekend so you have more time to practice).
3. Where the concert is (living room, dining room or garden).
4. What music you will be playing
  - My Dog is a good dog
  - I've got a feeling
  - Every breath you take/Stand by me
